RE: Certification of Comprehensive Plan

Dear Mayor Marabello:

I am pleased to inform the City of Milford that as of January 26, 2009, per the recommendation of the Office of State Planning Coordination, the comprehensive plan for the City of Milford is hereby certified provided no major changes to the plan are enacted. The certification signifies that the comprehensive plan complies with the requirements of Delaware Code Title 22, Section 702.

I would like to thank the City of Milford for working with the State of Delaware to incorporate our comments before adoption. We look forward to working with the City of Milford as you move into the implementation stage of your plan.

Once again, congratulations on your certification.

Sincerely,
