Section 3. The Economic Development Rate Schedule, EDR Subsection, Availability, is hereby amended and replaced by the following:

B. Availability

~~Discounts under this Rate are available for New Load associated with either initial permanent service (a "New Customer") or an expansion of existing service (an "Expansion Customer") at a single integrated facility. The New Load of a New Expansion Customer must be at least 50 kW with a minimum of 55% load factor and the new customer must have added at least 25 Investment Units as of the Operational Date. Discounts under this Rate may be available to the existing customers, with a minimum load of 2,000 kW and a monthly load factor of 60% to retain their loads.~~

Discounts under this Rate are available for New Load associated with either initial permanent service (a "New Customer") or an expansion of existing service (an "Expansion Customer") at a single integrated facility. The New Load of a New Expansion Customer must be at least 50 kW with a minimum of 60% load factor and the new customer must have added at least 25 Investment

Units as of the Operational Date. Discounts under this Rate may be available to the existing customers, with a minimum load of 2,000 kW and a monthly load factor of 60% to retain their loads.

Section 4. Dates.

Milford City Council will take final action on this Ordinance at their Monthly Meeting on Monday, September 10, 2007 at 7:30 p.m.

Ordinance No. 2007-7 shall become effective September 20, 2007.

A complete copy of the City of Milford Electric Tariff, with proposed amendments, is available at the Milford City Office in the Greater Milford Business Park, 180 Vickers Drive, Milford, Delaware, and may be viewed between 8:00 a.m. and 4:30 p.m. Monday through Friday.
