Director of Parks & Recreation

DA: August 6, 2015

RE: Monthly update from the Parks and Recreation Department

Mayor and Council,

At the request of the City Manager here are a list of activities over the past month from the Parks & Recreation Department.

- Maintenance of the parks is on-going with a busy summer due to the large amount of rainfall we have received. Typically in August the grass in the parks dies off some due to lack of rainfall, but not this year, as it has been unusually wet.
- I attended a meeting with Rob Pierce to pursue grant funding opportunities with the Office of Drinking water and DNREC. We also met with representatives of the Partnership of the Delaware Estuaries to discuss the Mispillion River and the possibilities to pursue a “living shoreline” along portions of the river.
- Parks & Rec. is beginning to catalog the park system with help from the new GIS specialist Zach Lawson, in terms of creating a digitized database of parks and total acreage of land maintained.
- I gave a tour of the Riverwalk and Milford to a delegation headed by the Delaware Greenways. The delegation seemed to be impressed with the things Milford has done and is continuing to do.

*Milford*  
**Parks & Recreation**  
*Department*

- I was notified by DNREC that our initial application for improvements at Goat Island (namely the educational pavilion and overlooks) would be eligible for matching funding. A full detailed application must now be submitted.
- Summer Playground day camp was a huge success with record numbers of kids attending and was at capacity for the first time since the recession. The “Kiddie Kamp” was also at capacity and may have to be shifted to a larger facility next year (one of the elementary schools).
- Another tennis camp was held with strong attendance. The Field Hockey camp originally scheduled for Fair week was postponed and has been rescheduled for August.
- Outdoor swim lessons held at the Hearthstone Manor pool were well attended by both toddlers and beginners. Mary Betts (Recreation Superintendent) was impressed with the facilities and she continues to offer hands on swim instruction to the youth of Milford.
- “Kinder Kickers” soccer began in July as well as conditioning for 6<sup>th</sup>-8<sup>th</sup> graders (twice a week). Keith Short (Recreation Supervisor) continues to use volunteers from the older program for the Kinder Kickers. It is good to see the older kids who have come up through the program return and want to help out with the younger kids.
- The Men’s slow-pitch softball league started the week of July 13<sup>th</sup>. There are nine local teams who are all sponsored by local businesses. Games are played Monday night through Wednesday night, with make games on Thursdays.
- I met with an arborist to look at the condition of some of our trees in the downtown. One of his recommendations was to remove the Christmas tree lights which have been left up year round over the last couple of years. We have found that the strings of lights were wrapped so tightly around the tree trunks that they were having a choking effect on the tree. The arborist is working on giving us a proposal to look at a nutrient application program for the trees.
- Please note that registrations for Fall programs begin on Saturday, August 15<sup>th</sup> from 10am-12 noon at the Parks and Recreation building.

As always, if you require further information please don't hesitate to contact me.

Thank you.

Site Address: 7254 Cedar Creek Road (58.01)  
7272 Cedar Creek Road (58 .04)

To Whom it May Concern:

We are requesting the above-referenced tax parcels be annexed into the City of Milford from Sussex County; 2.6+/- acres, currently zoned AR.

General Location Description:

The property is located on the west side of Cedar Creek Road, situated between the De1DOT SR 1 access ramp (south) and Wilkins Road (north). The parcel is contiguous to lands within the City of Milford (west and south).

The reason for our request is the parcels are included in Bayhealth Medical Center's new Health Campus. We are applying for Institutional Service District Zoning, which is consistent with Milford's Comprehensive Plan.

The annexation applications and supporting documents will be submitted by Bayhealth Medical Center.

She deferred to City Planner Rob Pierce to review his preliminary findings.

Property Owner:	Key Properties Group, LLC
Location:	7254 & 7272 Cedar Creek Road
Size:	2.6 +/- acres
Existing Zoning:	AR (Sussex County)
Proposed Zoning:	IS (Institutional Service District)
Tax Map and Parcel Number:	330-15.00-58.01 & 58.04

Mr. Pierce advised the committee that a petition from the property owners was submitted on June 17, 2015 to annex a total of 2.6 +/- acres into the corporate limits of the City of Milford. Each property is improved with a dwelling unit. However, it is anticipated that the applicant will demolish the structures and incorporate these properties into the overall health campus project.

The property is identified as Sussex County tax parcels 330-15.00-58.01 & 330-15.00-58.04 and will become part of the 1st Ward of the City of Milford.

The properties have frontage along Cedar Creek Road (State Route 30) but it is anticipated that access will be gained through the internal roadways associated with the health campus project.

Currently, there are roadside state-maintained swales along Cedar Creek Road (State Route 30). Mr. Pierce anticipates the health campus project will be required to adhere to the DNREC stormwater regulations and will have to obtain required permits from the Sussex Conservation District and State of Delaware.

The area proposed to be annexed is currently zoned AR (Agricultural Residential) in Sussex County under the Sussex County Zoning Ordinance. The applicant requests the property be changed to IS (Institutional Service District) under the City of Milford's Zoning Ordinance which aligns with the change of zone Bayhealth will propose with the campus.

The area will be served by a gravity sewer system associated with the southeast area utility agreement which involves the health campus onsite collection system.

The property will connect to a main coming from the new water tower to the east and to the existing water main on Wilkins Road.

Electric will be extended from the substation on Elks Lodge Road and additional loops will be provided from the north on Wilkins Road.

Mr. Pierce noted that the utilities are based on these parcels becoming part of the bigger Bayhealth project.

There is no anticipated impact for traffic and no anticipated environmental issues. The U.S. Army Corps of Engineers will ensure any wetlands on the site conform to Section 404 of the Clean Water Act.

As previously mentioned, the properties will be incorporated into the overall health campus project. This area is surrounded by vacant commercial, some existing low density residential and some vacant and moderate density residential areas.

The Carlisle Fire Department will provide fire and EMS coverage to this area. Milford Police Department will provide law enforcement services.

The annexation will be consistent with the Southeast Master Plan Future Land Use Plan and designated as employment center. The future land use plan will be reviewed by council during a public hearing later this evening. Mr. Pierce does not anticipate any issues with the application and approval.

No significant property tax or economic gain is expected from the two individual lots as a result of being incorporated into the overall health campus project as was previously pointed out.

Mr. Pierce then presented the advantages of the annexation. The property would be within the planning area of the City of Milford and identified within the Urban Growth Boundary Area of the 2008 Comprehensive Plan. The two properties will become part of the Bayhealth project.

He could find no disadvantage to the city.

Based on this review, he recommends the Annexation Committee recommend approval of the application with the following comments:

- \*Annexation is consistent with the "Comprehensive Land Use Plan".
- \*Property is contiguous to existing City Limits.
- \*Any changes to the property are subject to review by the City of Milford Planning Commission and/or City Council.
- \*Property will be served by City Electric, Sewer, and Water. Presently, these utilities are not available to the site.
- \*An executed Annexation Agreement is required prior to final City Council approval.
- \*Upon Council approval, a Municipal Annexation Plan of Services will be submitted to the Office of State Planning for their approval.

Chairwoman Wilson confirmed that all committee members have a clear understanding of what is being proposed; Mr. Morrow and Mr. Burk both stated yes.

Planning Chairman Campbell asked if this property will be eligible for a tax abatement. Ms. Wilson believes that until Bayhealth purchases the property, the owners will pay city taxes. The city planner reiterated that once Bayhealth purchases the property, it will be consolidated into one large lot and these lots will not longer be separated.

Mr. Morrow said it should be taxed under Key Group until it is considered a nonprofit when transferred to Bayhealth.

Mr. Morrow moved for a recommendation that city council proceed with the annexation of two parcels totaling 2.6 +/- acres currently owned by Key Group LLC at 7272 Cedar Creek Road and 7254 Cedar Creek Road, seconded by Mr. Burk. Motion carried with no one opposed.

Mr. Pierce noted that the annexation committee report will be presented by Ms. Wilson at the August 10<sup>th</sup> council meeting. He will then submit the plan of services to State Planning.

He followed by stating that public hearings will be scheduled for both the planning commission and city council to review the annexation and consider the change of zone. Final approval of the annexation by council will occur after the Office of State Planning Coordination accepts the plan of services.

Ms. Wilson thanked the committee for taking time to attend the meeting.

With no further business, Ms. Wilson adjourned the meeting at 6:48 p.m.

Respectfully submitted,

Terri K. Hudson, MMC

DATE: July 27, 2015  
RE: Annexation Committee Report

A public meeting was held in Council Chambers on July 27, 2015 to consider the annexation request for lands described as:

Property Owner:	Key Properties Group, LLC
Location:	7254 & 7272 Cedar Creek Road
Size:	2.6 +/- acres
Existing Zoning:	AR (Sussex County)
Proposed Zoning:	IS (Institutional Service District)
Tax Map and Parcel Number:	330-15.00-58.01 & 58.04

**APPLICANT**

A petition by the property owners was submitted on June 17, 2015 to annex 2.6 +/- acres into the corporate limits of the City of Milford. Each property is improved with a dwelling unit but it is anticipated that the applicant will demolish the structures and incorporate these properties into the overall health campus project.

**LOCATION**

The property is identified as Sussex County tax parcels 330-15.00-58.01 & 58.04 and would be located in the 1st Ward of the City of Milford.

**STREETS**

The properties have frontage along Cedar Creek Road (State Rt. 30) but it is anticipated that access will be gained through the internal roadways associated with the health campus project.

**DRAINAGE**

There are currently roadside swales along Cedar Creek Road (State Rt. 30). The health campus project will be required to adhere to DNREC storm-water regulations and obtain required permits from the Sussex Conservation District and State of Delaware.

**ZONING**

The area proposed to be annexed is currently zoned AR in Sussex County under the Sussex County Zoning Ordinance. The applicant requests the property to be zoned IS (Institutional Service District) under the City of Milford's Zoning Ordinance.

## **SEWER**

The area will be served by gravity sewer associated with the Southeast Area utility agreement and the health campus onsite collection system.

## **WATER**

The area will be served with a water main extension from the newly constructed Southeast water tower and existing water main on Wilkins Road associated with the health campus project.

## **ELECTRIC**

The City will extend electric from the substation located on Elks Lodge Road and will provide additional loops from the north on Wilkins Road.

## **TRAFFIC**

Any development of these parcels will be directed through the internal layout of the health campus site. No anticipated traffic impacts associated with this annexation request.

## **ENVIRONMENTAL ISSUES**

The U.S. Army Corp of Engineers will control provisions under Section 404 of wetlands on the parcel.

## **AREA LAND USES**

The properties will be incorporated into the overall health campus project. This area is surrounded by vacant commercial, low density residential, and moderate density residential.

## **FIRE AND POLICE**

The Carlisle Fire Dept. will provide fire and EMS coverage to this area. The City will provide police service.

## **COMPREHENSIVE LAND USE PLAN**

The annexation is consistent with the Southeast Master Plan Future Land Use Plan and is designated as Employment.

## **PROPERTY TAXES AND OTHER ECONOMIC CONSIDERATIONS**

No significant property tax or economic gain expected, except for the fact that the 2.6 acres will be incorporated into the overall health campus project.

## **ADVANTAGES TO THE CITY**

1. The property would be within the planning area of the City of Milford.
2. Identified within the Urban Growth Boundary Area of the 2008 Comprehensive Plan.
3. The properties will be incorporated into the overall health campus project.

## **DISADVANTAGES TO THE CITY**

1. None.

## **RECOMMENDATION**

Based on the issues and comments discussed in this report, the Annexation Committee of the City of Milford recommends approval of the application, following a unanimous vote, with the following comments:

1. Annexation is consistent with the "Comprehensive Land Use Plan".
2. Property is contiguous to existing City Limits.
3. Any changes to the property are subject to review by the City of Milford Planning Commission and/or City Council.
4. Property will be served by City Electric, Sewer, and Water. At present, these utilities are not available to the site.
5. An executed Annexation Agreement is required prior to final City Council approval.

6. Upon Council approval, a Municipal Annexation Plan of Services will be submitted to the Office of State Planning for their approval.

The property should be annexed with the following zoning classification: IS

RE: **PROPOSAL**  
Engineering & Construction Services  
Replacement Well 11-R  
Seabury Avenue WTF  
Project No. 0052A165.E

Dear Jeff:

In response to our recent discussions, Davis, Bowen & Friedel, Inc. (DBF) is pleased to present this proposal for providing engineering design coordination and construction phase services related to the completion of replacement production Well 11-R at the Seabury Avenue Water Treatment Facility site. As you are aware, the City previously approved a proposal for the installation of a 6" production well at the site. The pump testing results for the potential replacement well revealed a substantial increase in production capacity, from the existing Well 11 design flow of 67 GPM to a proposed replacement Well 11-R design flow of 250 GPM. Water quality sampling results showed similar makeup to the existing well and no significant treatment upgrades will be required. Considering these favorable results, our office is recommending the City of Milford proceed with installing a pump and the associated piping and electrical improvements to place replacement Well 11-R into service and subsequently abandoning existing Well 11.

A description of our proposed scope of services and associated lump sum fees for the required work is as follows:

A. ENGINEERING DESIGN SERVICES

Davis, Bowen & Friedel, Inc. (DBF) will analyze the pump testing and water quality sampling results of the replacement production Well 11-R to adequately design a pumping system capable of maximizing the production capacity. We will also perform the design of the pump, motor and piping connections and coordinate the associated electrical power and control improvements needed to place the new well in operation.

Lump Sum Fee: \$7,800.00

B. CONSTRUCTION IMPROVEMENTS

On behalf of the City, our office will contract with a local, reputable well driller (A.C. Schultes of Delaware, Inc.) and the City's preferred electrician (Webb Electric, Inc.) for the installation of the construction improvements. The proposed construction items include the installation of the well improvements (i.e. pitless adapter, column piping, submersible pump and motor), piping improvements to connect replacement Well-11R to the existing treatment facility, associated electrical improvements for the controls and power to the new well, and the subsequent abandonment of existing Well 11. Also included is the cost for the additional well pump test required by DNREC.

Lump Sum Fee: \$82,500.00

C. CONSTRUCTION ADMINISTRATION SERVICES

Davis, Bowen & Friedel, Inc. will assist the City of Milford with the administration of the construction improvements associated with replacement Well 11-R. These services shall include coordination with the two (2) contractors for the anticipated three (3) week construction period, review of contractor submittals including shop drawings, pay applications, operations & maintenance manuals, etc., and oversight of the system startup.

Lump Sum Fee: \$3,800.00

D. RESIDENT PROJECT REPRESENTATIVE (RPR) SERVICES

Our office will provide a part-time Resident Project Representative (RPR) during the anticipated three (3) week construction period. The RPR will represent both the Engineer and the City on-site, monitor construction activities, and ensure conformance with the required improvements for each of the two (2) contractors. The RPR will prepare field reports, as-needed, detailing the progress of the construction activities.

Lump Sum Fee: \$5,000.00

E. EXCLUSIONS/ADDITIONAL SERVICES

Excluded from this scope of work are engineering and construction phase services associated with the following activities. These services, if requested can be performed by our office on an hourly basis in accordance with the enclosed Schedule of Rates No. 46.

- Construction stakeout services;
- As-built surveys and/or drawing preparation;
- Application & Permitting fees;
- Construction Administration and RPR services beyond the anticipated three (3) week construction period.

Mr. Jeff Portman  
August 5, 2015  
Page 3

Also excluded are any necessary construction improvements beyond those listed above. Should differing conditions present themselves during the construction of the improvements, our office will secure pricing from the Contractors and present to the City for authorization.

*Please note that one half of the cost associated with the above-described work is to be paid for by Redner's Market, Inc. as part of their Water Service Agreement with the City.*

Davis, Bowen & Friedel, Inc. proposes to perform the above-described work for Items A through D for the lump sum fees listed. Billing will be submitted monthly based on the percentage of work completed during the previous month. Billing for any additional services, as authorized by the City, will be submitted monthly and performed on an hourly basis in accordance with the attached Schedule of Rates No. 46. Payment terms shall be as identified in the enclosed rate schedule.

Should you find this proposal acceptable, please execute below and return one (1) copy to us for our files. Receipt of a signed copy will be considered as our authorization to proceed.

On behalf of Davis, Bowen & Friedel, Inc., we appreciate the opportunity to offer our services and look forward to continuing our work with you on this project. If you should have any questions or need additional information, please call.

Sincerely,  
DAVIS, BOWEN & FRIEDEL, INC.

GENERAL CONDITIONS

**INVOICES & PAYMENT**

Invoices are sent monthly or sooner if project is complete. Payment Terms: Net 30 days of invoice date. Any invoice not paid within 30 days shall bear interest at 1.0% per month (12% annually). If required to engage legal counsel to collect an overdue invoice, DBF shall be entitled to recover also its costs of collection, including counsel fees and expenses. DBF reserves the right to adjust its schedule of rates annually. Any such adjustments will be effective within 30 days after written notification to the client.

**TERMINATION OF CONTRACT**

Client may terminate this agreement upon seven days' prior written notice to DBF for convenience or cause. DBF may terminate this Agreement for cause upon seven days' prior written notice to client. Failure of client to pay invoices when due shall be cause for immediate suspension and ultimate termination of services, at DBF's sole discretion. This agreement may be terminated by either party for any reason with 30 days advance notice.

**LIMITATION OF LIABILITY**

Client agrees to limit DBF's liability related to any errors or omissions to a sum that shall not exceed the total professional fee for the project.

**INDEMNIFICATION**

Client and DBF each agree to indemnify and hold the other harmless, and their respective officers, employees, agents and representatives, from and against liability for all claims, losses, damages and expenses, including reasonable attorney's fees caused by the other's negligence. To the extent such claims, losses, damages or expenses are caused by the joint or concurrent negligence of client and DBF, the same shall be borne by each party in proportion to its negligence. This shall in no way affect the limitation of DBF's liability expressed in the preceding paragraph.

**FORCE MAJEURE**

Neither party shall be deemed in default of this Agreement to the extent that any delay or failure in the performance of its obligations results from any cause beyond its reasonable control and without its negligence.

**CONSTRUCTION PHASE SERVICES**

If this Agreement provides for any construction phase services by DBF, it is understood that the contractor, not DBF, is solely responsible for the construction of the project, and that DBF shall not be responsible for the acts or omissions of any contractor, subcontractor or material supplier; for safety precautions, programs or enforcement; or for construction means, methods, techniques, sequences and procedures employed by the contractor, its subcontractors or suppliers.

**OWNERSHIP OF DOCUMENTS**

All documents prepared or furnished by DBF pursuant to this Agreement, including electronic media, are instruments of DBF's professional service, and DBF shall retain an ownership and property interest therein. DBF grants client, during the period of DBF's service, a license to use such documents for the purpose of constructing, occupying and maintaining the project. Reuse or modification of any such documents by client or client's agents, without DBF's written permission, shall be at client's sole risk; and client agrees to indemnify and hold DBF harmless from all claims, damages and expenses, including attorneys' fees, arising out of such reuse by client or by others acting through or with the consent of client.

**USE OF ELECTRONIC MEDIA**

Copies of documents that may be relied upon by client are limited to the printed copies (also known as hard copies) that are signed or sealed by DBF. Files in electronic media format or text, data, graphic or other types that are furnished by DBF to client are only for convenience of client. Any conclusion or information obtained or derived from such electronic files will be at the user's sole risk. When transferring documents in electronic media format, DBF makes no representations as to long-term compatibility, usability, or readability of documents resulting from the use of software application packages, operating systems, computer hardware or of a protocol differing from those in use by DBF during the period of this agreement.

**SUCCESSORS & ASSIGNS**

The client and DBF bind themselves, their partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. Neither party shall assign, sublet or transfer any interest in this Agreement without the written consent of the other.

**MISCELLANEOUS PROVISIONS**

Unless otherwise specified, this Agreement shall be governed by laws of the State in which the work is performed, and the courts of such State shall have exclusive jurisdiction over any disputes hereunder. Terms in this Agreement shall have the same meaning as those in AIA Document A201, General Conditions of the Contract for Construction, current as of the date of this Agreement. If this schedule is incorporated or referenced in an agreement with client, the terms of this schedule shall prevail in the event of any conflict with the terms of such agreement.

**REIMBURSABLE EXPENSES**

Other expenses known as direct expenses incurred in the interest of the project (including travel, toll communications, postage, delivery, photographs, subcontract engineering, testing or other consultants, renderings, models, etc.) will be billed monthly at DBF's actual cost plus ten percent.

Dear Jeff:

In response to our recent meeting Davis, Bowen & Friedel, Inc. is pleased to present this proposal for providing Survey, Design and Bid Procurement services for the above-referenced project. We understand the scope of the work is as follows:

### **Truitt Avenue Rehabilitation**

The work on Truitt Avenue shall include the rehabilitation of the section of the street from Northwest Front Street north to North 6<sup>th</sup> Street. This shall include the mill and overlay of the entire roadway length described above and the replacement of handicap ramps at each intersecting street. We will also include in the bid documents estimated quantities to obtain unit price cost for removal and replacement of curb and sidewalk should sufficient funds be available to perform a portion of that work.

### **Cemetery Roadway Expansion Phase 2**

The existing cemetery access road system is to be expanded to the south of the circular road as depicted as Phase Two on a map prepared by Bob Nash Associates, dated January 14, 2011. This phase of the expansion would include the installation of approximately 700 linear feet of 20 foot wide road for the purpose of accessing approximately 460 burial plots. Asphalt millings from the Truitt Avenue rehabilitation project will be used as a base material for the new roadway. The base millings will then be overlaid with 1.5 inches of surface asphalt.

Mr. Jeffrey Portman  
July 30, 2015  
Page 2

A description of our proposed scope of services and associated fees for each portion of the work is as follows:

**A. TOPOGRAPHIC SURVEY**

**Truitt Avenue Survey**

Based on field observations there are several places along Truitt Avenue where water stands after rainfall events. We will therefore perform a field survey of these areas to determine if minor improvements can be made to eliminate the areas of standing water as part of the street rehabilitation work.

Lump Sum Fee: \$1,250.00

**Cemetery Roadway Survey**

We will perform the field and office work necessary to compile a topographic survey of the approximately 1.0 acre area of the cemetery for use in our design of the new access road.

Lump Sum Fee: \$1,650.00

**B. PROJECT DESIGN AND PERMITTING**

**Truitt Avenue Design**

We will utilize existing aerial survey data and the limited survey work from item A to prepare the project construction documents. The construction documents will include the Title Sheet, Site Plans, Detail Sheets, material specifications, and bid documents necessary to obtain construction bids.

Lump Sum Fee: \$5,200.00

**Cemetery Roadway Design**

Utilizing the survey information from item A and the concept site plan provided by Bob Nash Associates we will prepare the project plans, specifications and bid documents necessary for obtaining construction bids for the roadway installation. These documents will include a Survey/Site Plan, a Grading and Drainage Plan and necessary details as required. Please note that our previous discussions with Kent Conservation District (KCD) have resulted in KCD only requiring a standard permit application submission. Therefore the following fee includes the preparation and submission of the standard application but

Mr. Jeffrey Portman  
July 30, 2015  
Page 3

does not include the application fee. Also, we assume the project will not require site plan review and approval by the City Planning Commission.

Lump Sum Fee: \$3,500.00

*Please note that the above lump sum fees assume that both projects will be part of the same set of construction documents. Should the City wish to separate the projects into two separate documents an additional lump sum fee of \$1,800.00 will be applicable.*

**C. CONSTRUCTION PROCUREMENT**

Our office will assist the City with the construction procurement process. Our work in this phase of the project shall include coordination of the bid advertisement, produce and distribute construction specifications and drawings to prospective contractors, schedule and oversee the pre-bid meeting, answer contractor questions during the advertisement period, attend the bid opening, review the contractor bids received, prepare a project bid tabulation, and recommend approval of the qualified low bidder.

Lump Sum Fee: \$2,800.00

*Please note that advertisement fees are not included in the above lump sum and are to be paid directly by the City.*

As discussed, Truitt Avenue pavement borings, Construction Administration, and/or Inspection Services will be performed by City personnel and are therefore not a part of this proposal. Should these services be requested we can perform this work on a unit price basis.

Billing for our services will be submitted monthly based upon the percentage of work completed the previous month. Additional services beyond the above scope as authorized by you will be billed on a unit price basis in accordance with our attached Schedule of Rates No. 46. Payment terms are in accordance with our attached schedule.

Should you find this proposal acceptable, please execute below and return one copy for our files. Receipt of a signed copy will be considered as our authorization to proceed.

## CITY CHARTER

### ARTICLE VII. - TAXATION, ASSESSORS AND ASSESSMENT OF TAXES

#### 7.01 - [General Assessment of Real Property].

Not less frequently than every ten years, there shall be made a general assessment which shall be a true, just and impartial valuation and assessment of all the real property within the limits of the City.

#### 7.02 - [Supplemental Assessments].

It shall be the duty of the City Manager to include supplemental assessments prepared by the assessor(s) for the purposes of adding property not included in the last assessment or increasing or decreasing the assessment value of property which was included in the last general assessment. In the year that a supplement assessment is made, the General Assessment then in force as modified by the supplemental assessment, shall constitute the assessment for the year.

#### 7.03 - [Assessment Copies to Council].

The City Manager shall make and deliver to the Council, as soon as the assessments are made, such number of copies as the Council shall direct.

#### 7.04 - [Real Property Assessment by Council].

The real property of the City Assessor(s) shall be assessed by the Council.

#### 7.05 - [Notification of Assessment].

The City Tax Assessor shall notify the property owner in writing of any change in assessment.

#### 7.06 - [Public Notice].

The Council shall, prior to a given date set by resolution in each year, cause a copy of the General Assessment as adjusted by the supplemental assessment as made in said year, to be hung in two public places in the City, and there to remain for the space of ten (10) days for public information. Attached to said copies shall be a notice of the day, hour and place that the Council will sit as a Board of Revision and Appeal; and the notice of the hanging up of the copies of the assessment and the places where the same are hung up and of the day, hour and place when the Council will sit as a Board of Revision and Appeal shall be published in at least one issue of a newspaper circulated in the City.

#### 7.07 - [Corrections and Revisions of Assessments].

At the time and place designated in the notice aforesaid, the Council shall sit as a Board of Revision and Appeal to correct and revise the assessment, and to hear appeals concerning the same. They shall have full power and authority to alter, revise, add to and take from the said assessment. The decision of a majority of the Council shall be final and conclusive; and no member of Council shall sit on his own appeal.

#### 7.08 - [Revised Assessment].

The assessment, as revised and adjusted by the Council, shall be the basis for the levy and collection of the taxes for the City. If any taxable fails or neglects to perfect his or her appeal to the Board of Revision and Appeal, he or she shall be liable for the tax for such year as shown by the assessment lists.

Dear Honorable Mayor and Members of City Council:

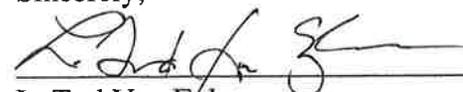

RE: Alcohol Ordinance Chapter 77 Waiver

Arena's Deli at 200 NE Front Street in Milford is sponsoring a Run the Goat 5K on Friday evening, August 21 from 6:15pm to 8:15pm on our behalf. Following the 5K, we are planning a Post-Race Party in the city parking lot in front of their business.

Because Chapter 77 of the Milford City Code prohibits the possession of open containers and consumption of alcohol in outdoor and public areas, we respectfully request Council permission to allow alcohol at the post party event until 11:59p.m. Those consuming alcohol will be wearing wristbands and would be restricted to a confined area as is required by Delaware State Law. In addition, we will strictly adhere to all local and state rules and regulations.

Please feel free to contact me at 302-422-4453 for additional information or should you need to contact me during this event.

Sincerely,

  
L. Tod Van Eyken,  
Executive Director

Attention: Terri Hudson

Mrs. Hudson,

Downtown Milford, Inc is planning to host the 3rd Annual Eat in the Street Event on September, 20, 2015 from 5:30-8:30 p.m. This event will be held at the Milford Senior Center in the event of inclement weather.

Eat in the Street will host 125 seated diners, with approximately 25 other persons serving and assisting the event. Diners will be served food prepared by local establishments as well as beer and wine service.

DMI plans to close Walnut Street in Downtown Milford from Park Avenue to SW Front Street starting at 2:30 p.m. and until 9:30 p.m., pending DELDOT approvals of the event.

Attached is a map for the proposed closing. City of Milford approval is needed to host the event as well as to serve alcohol on City property.

If you have any questions or need more information, please contact me.

Sincerely,

SaraKate Hammer

Because Chapter 77 of the Milford City Code prohibits the possession of open containers of alcoholic beverages and consumption of alcohol in any public areas, we respectfully request City Council's permission to serve alcoholic beverages in these areas for this special event. Those consuming alcohol would be restricted to a confined area as required by Delaware State Law.

An application for a 'gathering license' will be submitted to the State of Delaware Division of Alcohol and Tobacco Enforcement. We understand the State of Delaware requires city approval in advance of their approval. We will strictly adhere to all rules and regulations.

**Executive Director**

Lee Nelson

The City of Milford's approval is requested.

Regards,

Lee Nelson

Dear Taxpayer:

This is in response to your Mar. 05, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in MAY 1996.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website [www.irs.gov/eo](http://www.irs.gov/eo) for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

RE: Wastewater Asset Management Incentive Program

On May 15, 2015, the City of Milford submitted a non-matching grant application to the State of Delaware, Department of Natural Resources and Environmental Control (DNREC), Financial Assistance Branch (FAB) for the Wastewater Asset Management Incentive Program. The application was reviewed by the Delaware Water Infrastructure Advisory Council (WIAC) and approved for \$70,000 in grant funding on June 17, 2015.

The City will be required to complete an Asset Management Plan by October 1, 2017 based on the EPA Framework for Asset Management and is centered on five core categories; (1) current state of assets, (2) level of service, (3) critical assets, (4) minimum life cycle cost, & (5) long term funding plan. The attached draft Agreement and application describes required deliverables, milestones, and project costs associated with the plan.

Staff recommends a motion to accept the grant offer from DNREC FAB in the amount of \$70,000 for the implementation of a Drinking Water Asset Management Program and requests a motion to authorize the Mayor to sign the Agreement.

**Wastewater Asset Management Incentive Program Grant  
to the  
City of Milford, Delaware  
for the  
Development of an Asset Management Plan**

THIS GRANT AGREEMENT (“Agreement”) is made as of \_\_\_\_\_, 20\_\_\_\_ (“Effective Date”) by and between The State of Delaware, Delaware Department of Natural Resources, [**Office of the Secretary**] (“Grantor”), and [**City of Milford**] (“Grantee”).

**W I T N E S S E T H :**

WHEREAS, Grantor is charged with administering and granting funds for the Water Infrastructure Advisory Council from the Non-Federal Administrative Account (NFAA) for Wastewater Asset Management Incentive Program, pursuant to *Title 29 Del. C. § 8011* (“Water Infrastructure Advisory Council”).

WHEREAS, Grantee has made an application dated May 15, 2015 (“Application”) to Grantor for a Grant under the Wastewater Asset Management Incentive Program (“Program”), in an amount not to exceed Seventy Thousand Dollars (\$70,000). The Grant funds shall be used by Grantee to carry out the Development of an Asset Management Plan (“Project”), as more completely described herein.

WHEREAS, Grantor, with consultation from the Water Infrastructure Advisory Council (“WIAC”), has (i) considered the Application under the criteria for the Wastewater Asset Management Improvement Program, and (ii) resolved to Grant Seventy Thousand Dollars (\$70,000) to the Grantee in accordance with the terms and conditions of this Agreement and Attachments hereto.

NOW THEREFORE, in consideration of the mutual promises contained herein and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Obligation(s) of Grantee.

- (a) Grantee shall use the Grant Funds to carry out the Wastewater Asset Management Incentive Program Project, herein described and in the Application and Attachments hereto as Appendix A:

*The City of Milford is requesting grant funding for the procurement and implementation of GIS software and hardware in order to develop a comprehensive database of the City's wastewater infrastructure. The City will develop level of service standards based on customer demand and regulatory requirements. The GIS database will be utilized to analyze critical assets, determine minimum life cycle costs of system components, and develop a long term funding strategy for potential repair/rehabilitation projects.*

The Asset Management Plan must be consistent with the five core questions listed below:

1. **Current State of Assets** - What is the current state of my assets?
  - a. You should ask:
    - i. What do I own?
    - ii. Where is it?
    - iii. What is its condition?
    - iv. What is its useful life?
    - v. What is its value?
  - b. Best practices include:
    - i. Preparing an asset inventory and system map.
    - ii. Developing a condition assessment and rating system.
    - iii. Assessing remaining useful life by consulting projected-useful-life tables or decay curves.
    - iv. Determining asset values and replacement costs.
2. **Level of Service** - What is my required "sustainable" level of service?
  - a. You should ask:
    - i. What level of service do my stakeholders and customers demand?
    - ii. What do the regulators require?
    - iii. What is my actual performance?
    - iv. What are the physical capabilities of my assets?
  - b. Best practices include:
    - i. Analyzing current and anticipated customer demand and satisfaction with the system.
    - ii. Understanding current and anticipated regulatory requirements.
    - iii. Writing and communicating to the public a level of service "agreement" that describes your system's performance targets.
    - iv. Using level of service standards to track system performance over time.
3. **Critical Assets** - Which assets are critical to sustained performance?
  - a. You should ask:
    - i. How can assets fail?
    - ii. How do assets fail?
    - iii. What are the likelihoods (probabilities) and consequences of asset failure?
    - iv. What does it cost to repair the asset?
    - v. What are the other costs (social, environmental, etc.) that are associated with asset failure?

- b. Best practices include:
  - i. Listing assets according to how critical they are to system operations.
  - ii. Conducting a failure analysis (root cause analysis, failure mode analysis).
  - iii. Determining the probability of failure and listing assets by failure type.
  - iv. Analyzing failure risk and consequences.
  - v. Using asset decay curves.
  - vi. Reviewing and updating your system's vulnerability assessment (if your system has one).
- 4. **Minimum Life Cycle Cost** - What are my minimum life-cycle costs?
  - a. You should ask:
    - i. What alternative strategies exist for managing O&M, personnel, and capital budget accounts?
    - ii. What strategies are the most feasible for my organization?
    - iii. What are the costs of rehabilitation, repair, and replacement for critical assets?
  - b. Best practices include:
    - i. Moving from reactive maintenance to predictive maintenance.
    - ii. Knowing the costs and benefits of rehabilitation versus replacement.
    - iii. Looking at lifecycle costs, especially for critical assets.
    - iv. Deploying resources based on asset conditions.
    - v. Analyzing the causes of asset failure to develop specific response plans.
- 5. **Long Term Funding Plan** - What is my best long-term funding strategy?
  - a. You should ask:
    - i. Do we have enough funding to maintain our assets for our required level of service?
    - ii. Is our rate structure sustainable for our system's long-term needs?
  - b. Some strategies to consider:
    - i. Revising the rate structure.
    - ii. Funding a dedicated reserve from current revenues (i.e., creating an asset annuity).
    - iii. Financing asset rehabilitation, repair, and replacement through borrowing or other financial assistance.

(b) Any conflict or inconsistency between the provisions of the following documents shall be resolved by giving precedence to such documents in the following order: (a) this Agreement (including any amendments or modifications thereto); (b) Grantor's Grant Application Instructions; and (c) Grantee's Application for grant funds. The aforementioned documents are specifically incorporated into this Agreement and made a part hereof.

(c) Grantee shall appoint a "Project Manager" or "Contact Person" who will oversee the completion of the Wastewater Asset Management Incentive Program and serve as a person of contact for Grantee in communications with Grantor. Grantee will notify

Grantor of changes to the “Project Manager” or “Contact Person” within a reasonable time not to exceed thirty (30) days.

- (d) Grantee shall undertake to conduct and complete the Project in a professional and competent manner. Grantee shall take reasonable efforts to assure that the Project is in conformance with all pertinent federal, state, and local statutes, codes, ordinances, resolutions and other applicable regulations. Grantee shall solely bear the costs of permits and other relevant costs required in the performance of the Project.

2. Obligations of Grantor; Disbursement & Limitation of Grant Funds.

- (a) Grantor shall serve as administrator of the Grant Funds under this Agreement. Grantor shall furnish Grant Funds to Grantee on a reimbursable basis. Upon incurring eligible expenses, Grantee shall complete and submit to Grantor a “Asset Management Incentive Program Reimbursement Request Form,” (“Reimbursement Request Form”) attached hereto.
- (b) Grantor shall reimburse Grantee within thirty (30) days of receipt of Grantee’s Reimbursement Request. If Grantor disputes a portion of a Reimbursement Request, Grantor agrees to pay the undisputed portion of the Reimbursement Request within thirty (30) days of receipt and to provide Grantee a detailed statement of Grantor’s position on the disputed portion of the Reimbursement Request within thirty (30) days of receipt.
- (c) Grantor shall not be obligated to reimburse Project costs incurred by Grantee on a date before a Purchase Order allocating the Grant Funds has been approved by the Delaware Department of Finance. Grantor shall notify Grantee within a reasonable time not to exceed fourteen (14) days of when the Purchase Order has been approved. Grantee shall be solely responsible for all costs and expenses incurred before a Purchase Order allocating the Grant Funds is approved. Grantor’s total liability that may become due under this Agreement is limited to the total maximum expenditure(s) authorized in Grantor’s Purchase Order.
- (d) Grantor’s obligation to reimburse Grantee will not exceed the total amount of Grant Funds (\$70,000) awarded to Grantee from the NFAA and authorized in the Purchase Order. Grantee is solely responsible for any and all costs or expenses incurred in excess of the Grant Funds awarded. Grantor is in no way liable for any such excess costs, fees or expenses.
- (e) Grantee shall submit its Final Reimbursement Request Form for all remaining “Eligible Project Costs,” along with its “Initial Asset Management Plan,” within the grant timeframe. Any awarded Grant Funds remaining after Grantor has made its final reimbursement to Grantee shall be returned to the Non-Federal Administrative Account.
- (f) Grantor reserves the right to withhold disbursement of Grant Funds if Grantor determines, in its sole discretion, that Grantee’s performance or completion of the

Project is in violation of any federal, state, or local law or rule; or creates a risk to the public health, safety or environment.

- (g) Grantor is a sovereign entity, and shall not be liable for the payment of federal, state and local sales, use and excise taxes, including any interest and penalties from any related deficiency, which may become due and payable as a consequence of this Agreement.

3. Term.

This Agreement shall commence upon the execution of this Agreement by the parties, including the issuance of a Purchase Order allocating the Grant Funds, and shall continue for Five (5) years. When the Grantee submits its final disbursement of Grant Funds due on Grantee's Final Reimbursement Request Form, the Purchase Order corresponding to this agreement may be closed out.

- 4. Independent Status. It is understood that Grantee is an independent entity, and is not an agent or employee of Grantor. Grantee shall complete the Project in its own manner and method. Grantee shall be solely responsible for, and shall indemnify, defend and save Grantor harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, exactions, and regulations of any nature whatsoever.

- 5. Modifications. Grantee shall provide written notice to Grantor within a reasonable time not to exceed Thirty (30) days of planned changes or modifications which impact the scope, purpose, objectives, or nature of the Project for which the Grant Funds were awarded. If Grantor determines that the changes or modifications are of such significance as to no longer qualify the Project for Grant Funds, Grantor may terminate this Agreement in its discretion.

- 6. Assignment. Any attempt by Grantee to assign or otherwise transfer any interest in this Agreement without the prior written consent of Grantor shall be void.

7. Termination.

- (a) Grantor may, by written notice to Grantee, terminate this Agreement if it is found that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by Grantee or any agent or representative of Grantee to any officer or employee of the State of Delaware or Grantor with a view toward securing a contract or securing favorable treatment with respect to the awarding of Grant Funds or making of any determinations with respect to the performance of this Agreement.

- (b) If sufficient funds are not appropriated by the Delaware General Assembly, or other appropriate federal or state agency, to sustain in whole or in part Grantor's performance under this Agreement; or if such appropriation is reduced such that the amount of the appropriation is insufficient to sustain said performance; this Agreement shall be null and void at the insistence of Grantor. Funds cannot be recalled or otherwise taken back once disbursed to Grantee.

- (c) Grantee acknowledges that Grantor has an obligation to ensure that public funds are not used to subsidize private discrimination. Grantee recognizes that if it refuses to hire or do business with an individual or company due to reasons of race, color, gender, ethnicity, disability, national origin, age, or any other protected status, Grantor may declare Grantee in breach of this Agreement, terminate this Agreement, and designate Grantee as non-responsible.
  - (d) Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, Grantor shall have the right to terminate this Agreement.
8. Indemnification. Grantee shall indemnify and hold harmless Grantor, the State of Delaware, its agents and employees, from any and all liability, suits, actions or claims, together with all reasonable costs and expenses (including attorneys' fees) directly arising out of (A) the negligence or other wrongful conduct of Grantee, its agents or employees, or (B) Grantee's breach of any material provision of this Agreement not cured after due notice and opportunity to cure, provided as to (A) or (B) that (i) Grantee shall have been notified promptly in writing by Grantor of any notice of such claim; and (ii) Grantee shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise.
9. Insurance.
- (a) Grantee shall maintain the following insurance during the term of this Agreement or any extension thereto:
    - 1. Worker's Compensation and Employer's Liability Insurance in accordance with applicable law, and
    - 2. Comprehensive General Liability - \$1,000,000.00 per occurrence/\$3,000,000 general aggregate, and
    - 3. Medical/Professional Liability - \$1,000,000.00 per occurrence/\$3,000,000 general aggregate; or
    - 4. Miscellaneous Errors and Omissions - \$1,000,000.00 per occurrence/\$3,000,000 general aggregate, or
    - 5. Product Liability - \$1,000,000.00 per occurrence/\$3,000,000 general aggregate, and
    - 6. If required to transport state employees, Automotive Liability Insurance covering all automotive units used in the work with limits of not less than \$100,000 each person and \$300,000 each accident as to bodily injury and \$25,000 as to property damage to others.

(b) Grantee shall provide Forty-Five (45) days written notice of cancellation or material change of any policies.

(c) Before any activity in furtherance of this Agreement is undertaken by Grantee, the Certificate of Insurance and/or copies of the insurance policies, referencing the Agreement Number stated herein, shall be filed with the State. The certificate holder is as follows: DNREC, Office of the Secretary.

(d) In no event shall the State of Delaware be named as an additional insured on any policy required under this Agreement.

10. Notices. All notices, reports or other written communication required or permitted herein shall be given in writing to the addresses set forth below:

If to Grantor:

Greg Pope  
Environmental Finance  
DNREC/Office of the Secretary  
5 E. Reed St, Suite 200  
Dover, DE 19901  
Phone: 302-739-9941

If to Grantee:

City of Milford  
Jeff Portman, Acting Town Manager  
201 S. Walnut Street  
Milford, DE 19963

11. Force Majeure. Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

12. Entire Agreement; No Oral Modification. This Agreement constitutes the entire agreement pertaining to the subject matter hereof between Grantor and Grantee. Neither this Agreement nor any Appendix may be modified or amended except by the mutual written agreement of the parties. The provisions of this Agreement supersede all prior oral and written applications, quotations, communications, agreements and understandings of the parties with respect to the subject matter of this Agreement. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.

13. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, except where Federal Law has precedence. Grantee consents to jurisdiction and venue in the State of Delaware.

14. Severability. If any term or provision of this Agreement shall be held illegal, invalid or unenforceable by a Court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement. Such term or provision held invalid shall be deemed modified to the extent necessary in the Court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.
15. Captions. The captions in this Agreement are inserted only for the purpose of convenient reference and shall not be construed to define, limit or prescribe the scope or intent of this Agreement or any part thereof.
16. Surviving Clauses. The following clauses survive the termination of this Agreement: Section 8 "Indemnification;" Section 13 "Governing Law."
17. Miscellaneous Provisions.
  - (a) The rights and remedies of Grantor provided for in this Agreement are in addition to any other rights and remedies provided by law. Grantor and the State of Delaware do not waive its sovereign immunity by entering into this contract and fully retain all immunities and defenses provided by law with regard to any action based on this Agreement.
  - (b) Grantee will not use the State of Delaware's name or the Great Seal of the State of Delaware, either expressly or impliedly, in any of its advertising or soliciting materials without the State of Delaware's express written consent.
  - (c) Grantee certifies that the information reported herein is true, accurate and complete to the best of Grantee's knowledge based upon reasonable diligence of individuals with material knowledge of the Project. Grantee understands that these representations are made in support of claims for government funds.
  - (d) As part of this Agreement, the Grantee is required to submit annually an asset management plan for a period of five (5) years from the execution date of this agreement. If not completed by the end of year one, the grantee must submit a project status update and must complete the initial asset management plan no later than the end of year two of the agreement and each year subsequently until the end of the agreement.

## Scope of Work

### **SECTION 1: PROJECT BACKGROUND**

The City of Milford, under the direction of the Public Works Department, owns and maintains a wastewater system that serves over 4,000 residential & commercial customers in an area approximately 5.6 square miles in size.

Currently, the City has not adopted a formal asset management plan. As the City's infrastructure continues to age and the need for additional capacity has risen, a comprehensive approach to managing the City's wastewater system is necessary to continue to provide a high level of service to its residents. In response to this need, the City is requesting funding through the Department of Natural Resources Financial Assistance Branch State Revolving Fund Program to utilize the Asset Management Incentive Grant Program.

Currently, the City's engineering consultant has started a Geographic Information System (GIS) database of the wastewater collection system, including manholes, pump stations, gravity mains and pressure mains. This City plans to utilize the information gathered by the consultant to develop a comprehensive database that will include all pertinent information such as pipe type, size, age, and location. The City will utilize the information collected and stored in the GIS database to complete the asset management plan for the wastewater system.

### **SECTION 2: PROJECT DESCRIPTION**

In order to be consistent with the EPA Framework for Asset Management, the following five tasks will be performed.

#### **Task 1: GIS Database & Master Utility Plan Creation**

This task includes all the work necessary to capture the City's wastewater system in a GIS database. The information will be stored in a geometric network which will allow for proper modeling and future capacity studies. Once the database has been created, the City will develop web based applications to support user access and visualization of the wastewater network. The three main components of this task are as follows:

**GIS Database Design and Data Entry:** A custom database will be developed to suit the needs of the City. This database will house pertinent information on pumps, pipes, valves, manholes, house connections. Information will be gathered through record drawings and field investigations. The features will be stored in a geometric network.

**Infrastructure Survey:** The City will utilize GPS handheld device to collect and store accurate spatial locations for all point and line features, including pumps, manholes, cleanouts, valves, etc.

**Web Application Development:** The City will deploy browser based applications to be utilized by office and field staff to make more accurate decisions related to operation and maintenance, utility locates, and service requests.

### **Task 2: Determination of Level of Service**

The City will develop level of service standards based on customer demand and regulatory requirements outlining the wastewater system's performance targets. We will analyze procedures pertaining to service interruptions and develop contingency plans based on the required level of service.

### **Task 3: Critical Asset Analysis**

The City will use the GIS database and geometric network to predict how the wastewater collection system will react should critical pumps, transmission mains or collection lines fail. A capacity evaluation of the collection system will be performed based on existing and future flow conditions using standard engineering principles.

### **Task 4: Minimum Life Cycle Cost Analysis**

Analyze the City's assets to determine best management practices for Operations & Maintenance, personnel and capital budget accounts. Determine the life cycle costs for critical facilities and develop a preventative maintenance program for system components.

### **Task 5: Long Term Funding Plan**

The City will analyze the state of assets to determine the best long term funding plan which may include revising the rate structure, implementing an asset annuity or financing asset rehabilitation/replacement through State or Federal financial assistance.

## **SECTION 3: PLANNING PERIOD**

Assuming that Grant application process will take approximately four months for the review, award and contractual agreements to be completed, the City anticipates a project start date of October 1, 2015 and completion by October 1, 2017, approximately 24 months. Below is a summary of the target dates for completion and delivery of each Task.

Task 1 – GIS Database & Master Utility Plan Creation	October 1, 2016
Task 2 – Determination of Level of Service	October 1, 2016
Task 3 – Critical Asset Analysis	October 1, 2017
Task 4 – Minimum Life Cycle Cost Analysis	October 1, 2017
Task 5 – Long Term Funding Plan	October 1, 2017

## **SECTION 4: PROJECT DELIVERABLES**

Upon completion of the entire Grant project, the City will produce the following project deliverables in the form of an Asset Management Plan to the Grant administrator by October 1, 2017:

Task 1 – GIS Database & Master Utility Plan Creation: The City will provide an electronic copy of the completed wastewater system database. A printout in tabular form of the database along with maps will be provided as well.

Task 2 – Determination of Level of Service: The City will provide level of service standards based on customer demand and regulatory requirements. The level of service standards will include City procedures related to anticipated and unanticipated service interruptions.

Task 3 – Critical Asset Analysis: The City will provide a report listing assets critical to system operation, conduct a failure analysis determining the probability of failure and failure type, and produce asset decay curves.

Task 4 – Minimum Life Cycle Cost Analysis: The City will provide a summary report containing an outline of the planned preventative maintenance program, response plans for critical assets, and the analysis of life cycle costs for the City’s critical wastewater assets.

Task 5 – Long Term Funding Plan: The City will provide, at a minimum, a five year funding plan based on the findings of the critical asset analysis and minimum life cycle cost analysis. The long term plan will include critical asset replacement and/or rehabilitation projects along with the desired funding source.

**SECTION 5: PLAN BUDGET**

The City has provided the following two (2) proposed plan budgets. Figure 1 illustrates the budget if funding is approved for the City’s drinking water asset management incentive program application through the State of Delaware Department of Health and Social Services. Budget items 1-3 are for the startup costs associated with the GIS software and Hardware and would be shared between the two grant programs.

RE: Drinking Water Asset Management Incentive Program

On May 15, 2015, the City of Milford submitted a non-matching grant application to the State of Delaware, Department of Health and Social Services (DHSS), Division of Public Health for the Drinking Water Asset Management Incentive Program. The application was reviewed by the Delaware Water Infrastructure Advisory Council (WIAC) and approved for \$90,000 in grant funding on June 17, 2015.

The City will be required to complete an Asset Management Plan by October 1, 2017 based on the EPA Framework for Asset Management and is centered on five core categories; (1) current state of assets, (2) level of service, (3) critical assets, (4) minimum life cycle cost, & (5) long term funding plan. The attached application describes required deliverables, milestones, and project costs associated with the plan.

Staff recommends a motion to accept the grant offer from DHSS in the amount of \$90,000 for the implementation of a Drinking Water Asset Management Program and requests a motion to authorize the Mayor to sign all applicable program documents.

## **Scope of Work**

### **SECTION 1: PROJECT BACKGROUND**

The City of Milford, under the direction of the Public Works Department, owns and maintains a water system that serves over 4,000 residential & commercial customers in an area approximately 5.6 square miles in size. The City is not in close proximity to another public drinking water system, nor does it have any interconnections with another public drinking water system.

Currently, the City has not adopted a formal asset management plan. As the City's infrastructure continues to age and the need for additional capacity has risen, a comprehensive approach to managing the City's water system is necessary to continue to provide a high level of service to its residents. In response to this need, the City is requesting funding through the State of Delaware Department of Health and Social Services State Revolving Fund Program to utilize the Asset Management Incentive Grant Program.

Currently, the City's engineering consultant has started a Geographic Information System (GIS) database of the water collection system, including water towers, reservoirs, mains, valves, hydrants, along with a hydraulic model. This City plans to utilize the information gathered by the consultant to develop a comprehensive database that will include all pertinent information such as pipe type, size, age, and location. The City will utilize the information collected and stored in the GIS database to complete the asset management plan for the water system.

### **SECTION 2: PROJECT DESCRIPTION**

In order to be consistent with the EPA Framework for Asset Management, the following five tasks will be performed.

#### **Task 1: GIS Database & Master Utility Plan Creation**

This task includes all the work necessary to capture the City's water system in a GIS database. The information will be stored in a geometric network which will allow for proper modeling and future capacity studies. Once the database has been created, the City will develop web based applications to support user access and visualization of the water network. The three main components of this task are as follows:

**GIS Database Design and Data Entry:** A custom database will be developed to suit the needs of the City. This database will house pertinent information on pipes, valves, fire hydrants and house connections. Information will be gathered through record drawings and field investigations. The features will be stored in a geometric network.

**Infrastructure Survey:** The City will utilize GPS handheld device to collect and store accurate spatial locations for all point and line features.

**Web Application Development:** The City will deploy browser based applications to be utilized by office and field staff to make more accurate decisions related to operation and maintenance, utility locates, and service requests.

**Task 2: Determination of Level of Service**

The City will develop level of service standards based on customer demand and regulatory requirements outlining the water system’s performance targets. We will analyze procedures pertaining to service interruptions and develop contingency plans based on the required level of service. The City will also establish fire flow and secondary drinking water standards.

**Task 3: Critical Asset Analysis**

The City’s engineering consultant will use the information gathered in the GIS database to update the City’s water model and perform the required critical asset analysis. A capacity evaluation of the system will be performed based on existing and future flow condition.

**Task 4: Minimum Life Cycle Cost Analysis**

Analyze the City’s assets to determine best management practices for Operations & Maintenance, personnel and capital budget accounts. Determine the life cycle costs for critical facilities and develop a preventative maintenance program for system components.

**Task 5: Long Term Funding Plan**

The City will analyze the state of assets to determine the best long term funding plan which may include revising the rate structure, implementing an asset annuity or financing asset rehabilitation through State or Federal financial assistance.

**SECTION 3: PLANNING PERIOD**

Assuming that Grant application process will take approximately four months for the reviewing, awarding, and contractual agreements to be completed, we assumed a project start date of October 1, 2015 and completion by October 1, 2017, approximately 24 months. Below is a summary of the target dates for completion and delivery of each Task.

Task 1 – GIS Database & Master Utility Plan Creation	October 1, 2016

**SECTION 4: PROJECT DELIVERABLES**

Upon completion of the entire Grant project, the City will produce the following project deliverables in the form of an Asset Management Plan to the Grant administrator by October 1, 2017:

Task 1 – GIS Database & Master Utility Plan Creation: The City will provide an electronic copy of the completed water system database. A printout in tabular form of the database along with maps will be provided as well.

Task 2 – Determination of Level of Service: The City will provide level of service standards based on customer demand and regulatory requirements. The level of service standards will include City procedures related to anticipated and unanticipated service interruptions.

Task 3 – Critical Asset Analysis: The City’s engineering consultant will provide a report listing assets critical to system operation, conduct a failure analysis determining the probability of failure and failure type, and produce asset decay curves.

Task 4 – Minimum Life Cycle Cost Analysis: The City will provide a summary report containing an outline of the planned preventative maintenance program, response plans for critical assets, and the analysis of life cycle costs for the City’s critical water assets.

Task 5 – Long Term Funding Plan: The City will provide, at a minimum, a five year funding plan based on the findings of the critical asset analysis and minimum life cycle cost analysis. The long term plan will include critical asset replacement and/or rehabilitation projects along with the desired funding source.

**SECTION 5: PLAN BUDGET**

The City has provided the following two (2) proposed plan budgets. Figure 1 illustrates the budget if funding is approved for the City’s wastewater asset management incentive program application with DRNEC FAB. Budget items 1-3 are for the startup costs associated with the GIS software and Hardware and would be shared between the two grant programs.

RE: Drinking Water Asset Management Grant Award

Dear Mr. Medlarz:

*Hans*

The Water Infrastructure Advisory Council (WIAC) approved an Asset Management Grant for the City of Milford on June 17, 2015. The following is a summary of the project details.

<b>Applicant:</b>	<b>City of Milford</b>
<b>Project:</b>	Development of an Asset Management Plan for Milford's Drinking Water System
<b>Project Duration</b>	October 1, 2015 to October 1, 2017
<b>Grant Award Amount</b>	\$90,000
<b>Grant Number</b>	DWAM201503

Grant Conditions:

1. This grant is subject to the Drinking Water Asset Management Grant Guidelines and Application dated April 2015.
2. Work shall be completed according to the application and the scope of work plan submitted.
3. The grant is for up to, but not exceeding \$90,000.
4. Work shall be completed and the final request for payment submitted to the DWSRF Program by November 1, 2017.
5. Final disbursement will be retained until all deliverables as stated in the Grant Application are met.

MILFORD CITY COUNCIL  
MINUTES OF MEETING  
July 9, 2015

A Meeting of the Police Committee of Milford City Council was held in the Joseph Ronnie Rogers Council Chambers at Milford City Hall, 201 South Walnut Street, Milford, Delaware on Thursday, July 9, 2015.

PRESIDING: Chairman Douglas Morrow Sr.

IN ATTENDANCE: Police Committee Member Katrina Wilson

Police Chief Keith Hudson and City Clerk/Recorder Terri Hudson

Chairman Morrow called the Police Committee Meeting to order at 8:06 a.m.

EXECUTIVE SESSION

Pursuant to 29 Del. C. §10004(b)(9) Personnel matters in which the names, competency and abilities of individual employees or students are discussed (Contractual Matter)

Ms. Wilson moved to go into Executive Session reference a contractual matter, seconded by Mr. Morrow. Motion carried.

Mr. Morrow recessed the Council Meeting at 8:07 a.m. for the purpose of an Executive Session as is permitted by Delaware's Freedom of Information Act.

*Return to Open Session*

Mr. Morrow moved to present the three options discussed in Executive Session for council consideration at the July 13, 2015 meeting, seconded by Ms. Wilson. Motion carried.

In the meantime, Chief Hudson will follow up with Mr. Portmann to determine any budgetary impact as a result of the potential options.

Mr. Morrow also asked that the information from the other municipalities be provided at the next council meeting as well.

ADJOURN

With no further business, Ms. Wilson moved to adjourn the Police Committee Meeting, seconded by Mr. Morrow. Motion carried.

The Police Committee Meeting was adjourned at 8:37 a.m.

Respectfully submitted,

Terri K. Hudson, MMC  
City Clerk/Recorder

MILFORD CITY COUNCIL  
MINUTES OF MEETING  
July 13, 2015

Milford City Council held a Public Hearing on Monday, July 13, 2015 in the Joseph Ronnie Rogers Council Chambers at Milford City Hall, 201 South Walnut Street, Milford, Delaware.

PRESIDING: Vice Mayor Douglas Morrow, Sr.

IN ATTENDANCE: Councilpersons Christopher Mergner, Garrett Grier III, James Burk, Owen Brooks, Jr. and James Starling, Sr.

Police Chief Keith Hudson and City Clerk/Recorder Terri Hudson

COUNSEL: City Solicitor David Rutt, Esquire

*USDA City of Milford Borrowing/\$1.6 million General Obligation Bond/Bonds to Finance Sewer System Improvements*

Vice Mayor Morrow called the Public Hearing to order at 7:07 p.m.

The vice mayor announced the purpose of this public hearing is to take public comments on the City of Milford's request to 'Borrow up to \$1,600,000 Maximum Amount of a General Obligation Bond or Bonds to Finance Costs Associated with Phase 1 and Phase 2 Sewer System Improvements'.

The City's Bond Counsel, Saul Ewing, is representing the city in this matter.

Vice Mayor Morrow called Davis, Bowen and Friedel Associate Erik Retzlaff, PE, to review the proposal.

PE Retzlaff advised the proposed project is for miscellaneous sewer improvements. The city's sewer system is in need of attention due to the aging facilities. The scope of the project will include monitoring, transmission and collection systems' improvements.

Basically 45% of the collection system, which includes the mains, manholes and laterals, are more than thirty-five years old. Four of the sixteen pumping stations are more than twenty-five years old and are in need of significant repairs. There are condition issues with the collection system that can lead to inflow and infiltration into the system, which results in additional costs to the city.

In addition, the condition of the transmission facilities can cause leaking. A failure in the system could potentially cause a sewer overflow that could result in raw sewage pollution.

Over a three-year period from 2011 to 2013, the city billed its users for 73% of the water that was sent to Kent County for treatment. This is based on high water tables and water coming in through leaks in the sewer mains, manholes and/or water simply running off the streets into the system.

This caused the city to pay 138% of its metered customer usage to Kent County. Fixing those leaks will save the city a considerable amount of money.

Mr. Retzlaff further explained that the project would also include transmission system upgrades. These improvements are related to the city pumping stations and facility monitoring and alarm systems (SCADA).

A monitoring system would allow staff to monitor the run times of the pumping stations, obtain a baseline for dry weather and determine areas with the largest amount of water leakage into the system. The city has a couple older pumping facilities that need substantial rehabilitation.

The proposed project budget includes \$400,000 in instrumentation and monitoring alarm system improvements, \$2.85 million for pump station and force main improvements and \$750,000 for repairs to the collection system.

The proposed improvements will be determined by the monitoring findings. The total project budget is projected at \$4

million.

This proposal was submitted to the USDA who returned an offer to the city. It will be funded out of two different annual allotments to maximize the amount of grant money the city would be eligible for.

The first allotment was for \$2 million; the city would contribute \$400,000 out of sewer reserves and borrow \$600,000 at 2.375% over a forty-year term. USDA would provide the balance in the form of a \$1 million grant. The annual debt service is \$23,401.

The second offer is a \$1 million loan at 2.125% over a forty-year term. The USDA will then provide a second \$1 million grant. The annual debt service on the second offer is \$37,362.

The total USDA offer is \$1.6 million in borrowing and the city will receive \$2 million in grants. The total debt service would be \$60,763 per year with the primary funding source coming from the impact fee fund first. The secondary source would be reserves or operating revenues. Any additional repayment would be from monies recovered from I&I savings. As a result, there is no anticipated sewer rate increase to pay this debt service.

At this point, Mr. Retzlaff recommends the city proceed with the referendum and present the proposals to the voters.

Vice Mayor Morrow asked for comments or questions noting that city council has been discussing this for more than a year and he is pleased it is finally coming to fruition.

Mr. Grier confirmed that the city's portion of \$400,000 will be paid from sewer reserves. When asked what would be paid from impact fees, Mr. Retzlaff explained the \$60,763 annual debt would be paid from the impact fee fund which prevents an increase in sewer rates.

With no further council comments, Vice Mayor Morrow opened the floor to public comment.

Joe Palermo of 5 Misty Vale Court, Meadows at Shawnee, said it is an excellent move on the part of the city because of the aging infrastructure which needs to be addressed.

The vice mayor then closed the floor due to no other public comments.

*Adoption/Resolution 2015-09/Final Authorization USDA Loan/Sewer Project*

Mr. Grier moved to adopt Resolution 2015-09, seconded by Mr. Brooks:

*RESOLUTION 2015-09*

*RESOLUTION GIVING FINAL AUTHORIZATION OF A LOAN TO THE CITY OF MILFORD, DELAWARE, OF UP TO \$1,600,000 MAXIMUM AGGREGATE PRINCIPAL AMOUNT TO FINANCE COSTS ASSOCIATED WITH IMPROVEMENTS TO THE SEWER SYSTEM OF THE CITY OF MILFORD.*

*WHEREAS, the City of Milford, Delaware (the "City") pursuant to Article 8 of 72 Del. Laws Ch. 148, as amended (the "Charter") proposes to borrow an amount not exceeding the maximum aggregate principal amount of \$1,600,000 in order to: (i) partially finance the construction costs associated with the City's approved improvements, rehabilitations, upgrades and repairs to its sewer system, including the addition of a sewer supervisory control and data acquisition (SCADA) system instrumentation, pump stations upgrades and removal of external inflow and infiltration sources; and (ii) pay the costs of issuance of a bond or bonds securing the Loan (as hereinafter defined) (collectively, the "Project");*

*WHEREAS, the City has applied for a loan (the "Loan") through the United States Department of Agriculture – Rural Utilities Service (the "Department") in order to provide funds to pay for the Project;*

*WHEREAS, the Department has issued a Letter of Conditions dated September 10, 2014, as amended April 27, 2015, to lend the City up to \$1,600,000 in the maximum aggregate principal amount for the Project for a period of forty (40)*

years, with an interest rate for the first partial loan of \$600,000 not-to-exceed 2.375% and an interest rate for the second partial loan of \$1,000,000 not-to-exceed 2.125%;

WHEREAS, in addition to the Loan, the City also expects to receive a grant from the Department to help finance the Project in an amount up to \$2,000,000, and the City must directly contribute \$400,000 of its Sewer Fund Reserves towards the Project before utilizing Loan and grant funds from the Department;

WHEREAS, pursuant to a Resolution adopted on June 8, 2015 (the "Initial Resolution"), the City gave notice of its intention to borrow up to \$1,600,000 through the issuance of a general obligation bond or bonds of the City for the Project and established a public hearing on the matter for July 13, 2015; and

WHEREAS, having conducted the public hearing on July 13, 2015, after notice, as required and in accordance with the Charter, the Council of the City (the "City Council") hereby determines to give its final approval to proceed with the borrowing and the Loan.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Milford, Delaware, as follows:

1. Pursuant to Article 8 of the Charter, the City Council hereby resolves to give its final authorization and approval to proceed with the Loan and to borrow an amount of money not to exceed \$1,600,000 to fund the Project.

2. Details of the Loan are as follows:

*Amount of Loan: Total principal amount not to exceed \$1,600,000.*

*Rate(s) of Interest: The interest rate for the first partial loan of \$600,000 shall not exceed 2.375% and the interest rate for the second partial loan of \$1,000,000 shall not exceed 2.125%.*

*Manner of Securing the Same: The City will borrow the funds through the issuance of a general obligation bond or bonds of the City to partially finance the Project and the full faith and credit of the City will be pledged to pay the principal of and interest on the bond or bonds.*

*Manner of Paying or Funding: The bond or bonds shall be paid or funded from sewer impact fees, sewer fund operating revenues and tax revenues of the City in the order of priority as stated.*

*Purpose for Borrowing: The City Council hereby finds that the Project constitutes the following, which is a permitted purpose for which money may be borrowed under Article 8 of the Charter:*

*Finance the construction costs associated with the City's approved improvements, rehabilitations, upgrades and repairs to its sewer system, including the addition of a sewer SCADA system instrumentation, pump stations upgrades and removal of external inflow and infiltration sources.*

*Such costs, including the costs of issuance of the bond or bonds, are estimated not to exceed \$4,000,000 and are expected to be paid for by the Loan and a grant from the Department and a direct contribution from the City.*

ADOPTED AND RESOLVED this 13th day of July, 2015.

*s/Mayor Bryan W. Shupe*

Motion carried.

Adoption/Resolution 2015-10/USDA Sewer Loan/Scheduling Public Hearing

Mr. Grier moved to adopt Resolution 2015-10, seconded by Mr. Mergner:

Resolution 2015-10

*RESOLUTION AUTHORIZING THE ISSUANCE BY THE CITY OF MILFORD, DELAWARE, OF UP TO \$1,600,000 MAXIMUM AGGREGATE PRINCIPAL AMOUNT OF A GENERAL OBLIGATION BOND OR BONDS TO FINANCE COSTS ASSOCIATED WITH IMPROVEMENTS TO THE SEWER SYSTEM OF THE CITY OF MILFORD AND ORDERING A SPECIAL ELECTION IN CONNECTION THEREWITH.*

*Whereas, the City of Milford, Delaware (the "City") pursuant to Article 8 of 72 Del. Laws Ch. 148, as amended (the "Charter") proposes to borrow an amount not exceeding the maximum aggregate principal amount of \$1,600,000 in order to: (i) partially finance the construction costs associated with the City's approved improvements, rehabilitations, upgrades and repairs to its sewer system, including the addition of a sewer supervisory control and data acquisition (SCADA) system instrumentation, pump stations upgrades and removal of external inflow and infiltration sources; and (ii) pay the costs of issuance of the Bonds (collectively, the "Project");*

*WHEREAS, the City has applied for a loan (the "Loan") through the United States Department of Agriculture – Rural Utilities Service (the "Department") in order to provide funds to pay for the Project;*

*WHEREAS, the Department has issued a Letter of Conditions dated September 10, 2014, as amended April 27, 2015, to lend the City up to \$1,600,000 in the maximum aggregate principal amount for the Project for a period of forty (40) years, with an interest rate for the first partial loan of \$600,000 not-to-exceed 2.375% and an interest rate for the second partial loan of \$1,000,000 not-to-exceed 2.125%;*

*WHEREAS, in addition to the Loan, the City also expects to receive a grant from the Department to help finance the Project in an amount up to \$2,000,000, and the City must directly contribute \$400,000 of its Sewer Fund Reserves towards the Project before utilizing Loan and grant funds from the Department;*

*WHEREAS, pursuant to a Resolution adopted on June 8, 2015 (the "Initial Resolution"), the City gave notice of its intention to borrow up to \$1,600,000 through the issuance of a general obligation bond or bonds (collectively, the "Bonds") of the City for the Project and established a public hearing on the matter for July 13, 2015; and*

*WHEREAS, having conducted the public hearing, after notice, and having adopted a resolution authorizing the Loan, all in accordance with Article 8 of the Charter, the Council of the City (the "City Council") hereby determines to proceed with the proposed borrowing and hereby orders a Special Election to be held not less than thirty (30) nor more than sixty (60) days after the aforementioned public hearing, for the purpose of voting for or against the proposed borrowing, all in accordance with the Charter.*

*NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Milford, Delaware, as follows:*

*1. Pursuant to the Initial Resolution and after a public hearing conducted on June 8, 2015, after notice, and following adoption of a resolution authorizing the Loan, all in accordance with the requirements of the Charter, the City Council hereby resolves to proceed with borrowing an amount of money, not to exceed \$1,600,000, to fund the Project.*

*2. Pursuant to Article 8 of the Charter:*

*Amount of Borrowing: Total principal amount not to exceed \$1,600,000.*

*Rate(s) of Interest: The interest rate for the first partial loan of \$600,000 shall not exceed 2.375% and the interest rate for the second partial loan of \$1,000,000 shall not exceed 2.125%.*

*Manner of Securing the Same: The City will borrow the funds through the issuance of a general obligation bond or bonds of the City to partially finance the Project and the full faith and credit of the City will be pledged to pay the principal of and interest on the Bonds.*

*Manner of Paying or Funding: The Bonds shall be paid or funded from sewer impact fees, sewer fund operating revenues and tax revenues of the City in the order of priority as stated.*

*Purpose for Borrowing: The City Council hereby finds that the Project constitutes the following, which is a permitted purpose for which money may be borrowed under Article 8 of the Charter:*

*Finance the construction costs associated with the City's approved improvements, rehabilitations, upgrades and repairs to its sewer system, including the addition of a sewer SCADA system instrumentation, pump stations upgrades and removal of external inflow and infiltration sources.*

*Such costs, including the costs of issuance of the Bonds, are estimated not to exceed \$4,000,000 and are expected to be paid for by the Loan and a grant from the Department and a direct contribution from the City.*

3. *The City Council hereby orders that a Special Election be held on September 1, 2015 (the "Special Election") for the purpose of voting for or against the proposed borrowing. The Special Election shall be conducted at the Milford City Hall, 201 South Walnut Street, Milford, Delaware, 19963, and the polls shall open at 7:00 a.m. and shall close at 7:00 p.m. Such Special Election shall be held not less than thirty (30) nor more than sixty (60) days after the aforementioned public hearing and adoption of the resolution authorizing the Loan.*

4. *At such Special Election, every person who would be entitled to vote at an annual election if held on that day shall be entitled to one vote.*

5. *The City Council hereby directs that notice of such Special Election be posted and published as required by the Charter, Article 8.04 by:*

*(i) posting notices thereof in five (5) public places in the City at least two weeks prior to the day fixed for the holding of the Special Election; and*

*(ii) publishing a copy of such notice once each week during those two (2) weeks immediately preceding that week during which the day fixed for the holding of the Special Election shall fall in a newspaper generally circulated in the City.*

6. *Pursuant to Article 8 of the Charter, the Special Election shall be conducted by an Election Board (the "Board of Election") whose members shall be appointed or selected in the same manner and they shall have the same qualifications as provided in the case of annual elections of the City.*

7. *The Board of Election shall count the votes for and against the proposed borrowing and shall announce the result thereof. The Board of Election shall make a certificate under their hands of the number of votes cast for and against the proposed borrowing, and shall deliver the same, in duplicate, to the City Council, one copy of the certificate shall be entered in the minutes of the next meeting of the City Council, and the other copy shall be filed with the papers of the City Council.*

8. *Pursuant to Article 8 of the Charter, the City Council shall hereby cause the notices of the Special Election to be published and/or posted as provided herein and by the Charter and to take such other actions as are necessary or appropriate and in the best interest of the City to effectuate the resolutions adopted above and the requirements of the Charter.*

*ADOPTED AND RESOLVED this 13th day of July, 2015.*

*s/Mayor Bryan W. Shupe*

Motion carried.

*Adoption/USDA Resolution 2015-13/Authorize Indebtedness for Improvements to Sewer System*

Mr. Grier moved to adopt USDA Resolution 2015-13, seconded by Mr. Mergner:

*LOAN RESOLUTION*

*A Resolution of the City Council of the Milford, City of, authorizing and providing for the incurrence of Indebtedness for the Purpose of Providing a Portion of the Cost of Acquiring, Constructing, Enlarging, Improving, and/or Extending Its Water Facility to Serve an Area Lawfully Within Its Jurisdiction to Serve.*

*WHEREAS, it is necessary for the Milford, City of, (herein after called Association) to raise a portion of the cost of such undertaking by issuance of its bonds in the principal amount of Six Hundred Thousand (\$600,000) pursuant to the provisions of the Charter.*

*WHEREAS, the Association intends to obtain assistance from the United States Department of Agriculture, (herein called the Government) acting under the provisions of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) in the planning, financing, and supervision of such undertaking and the purchasing of bonds lawfully issued, in the event that no other acceptable purchaser for such bonds is found by the Association:*

*NOW THEREFORE, in consideration of the premises the Association hereby resolves:*

- 1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds containing such items and in such forms as are required by State statutes and as are agreeable and acceptable to the Government.*
  - 2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the Association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).*
  - 3. To provide for, execute, and comply with Form RD 400-4, "Assurance Agreement," and Form RD 400-1, "Equal Opportunity Agreement," including an "Equal Opportunity Clause," which clause is to be incorporated in, or attached as a rider to, each construction contract and subcontract involving in excess of \$10,000.*
  - 4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the Association. Such indemnification shall be payable from the same source of funds pledged to pay the bonds or any other legal ly permissible source.*
  - 5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government at its option may*
    - (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable,*
    - (b) for the account of the Association (payable from the source of funds pledged to pay the bonds or any other legally permissible source), incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or*
    - (c) take possession of the facility, repair, maintain, and operate or rent it.*
- Default under the provisions of this resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the Association, and default under any such instrument may be construed by the Government to constitute default hereunder.*
- 6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof, or interest therein, or permit others to do so, without the prior written consent of the Government.*
  - 7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or otherwise incur any liabilities for any purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.*
  - 8. To place the proceeds of the bonds on deposit in an account and in a manner approved by the Government. Funds may be deposited in institutions insured by the State or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States. Any income from these accounts will be considered as revenues of the system.*
  - 9. To comply with all applicable State and Federal laws and regulations and to continually operate and maintain the facility in good condition.*
  - 10. To provide for the receipt of adequate revenues to meet the requirements of debt service, operation and maintenance, and the establishment of adequate reserves. Revenue accumulated over and above that needed to pay operating and maintenance, debt service and reserves may only be retained or used to make prepayments on the loan. Revenue cannot*

*be used to pay any expenses which are not directly incurred for the facility financed by USDA. No free service or use of the facility will be permitted.*

*11. To acquire and maintain such insurance and fidelity bond coverage as may be required by the Government.*

*12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof as required by the Government, to provide the Government a copy of each such audit without its request, and to forward to the Government such additional information and reports as it may from time to time require.*

*13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the Association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.*

*14. That if the Government requires that a reserve account be established, disbursements from that account(s) may be used when necessary for payments due on the bond if sufficient funds are not otherwise available and prior approval of the Government is obtained. Also, with the prior written approval of the Government, funds may be withdrawn and used for such things as emergency maintenance, extensions to facilities and replacement of short lived assets.*

*15. To provide adequate service to all persons within the service area who can feasibly and legally be served and to obtain USDA's concurrence prior to refusing new or adequate services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.*

*16. To comply with the measures identified in the Government's environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility's construction or operation.*

*17. To accept a grant in an amount not to exceed \$1,000,000 under the terms offered by the Government; that Jeff Portmann of the association is hereby authorized and empowered to take all action necessary or appropriate in the execution of all written instruments as may be required in regard to or as evidence of such grant; and to operate the facility under the terms offered in said grant agreement(s).*

- ▶ **NO SEWER RATE INCREASE NEEDED TO REPAY DEBT**

QUESTIONS???

MILFORD CITY COUNCIL  
MINUTES OF MEETING  
July 13, 2015

The Monthly Meeting of Milford City Council was held in the Joseph Ronnie Rogers Council Chambers at Milford City Hall, 201 South Walnut Street, Milford, Delaware on Monday, July 13, 2015.

PRESIDING: Vice Mayor Douglas Morrow, Sr.

IN ATTENDANCE: Councilpersons Christopher Mergner, Garrett Grier III, James Burk, Owen Brooks, Jr. and James Starling, Sr.

Police Chief Keith Hudson and City Clerk/Recorder Terri Hudson

COUNSEL: City Solicitor David Rutt, Esquire

Mayor Shupe announced prior to the public hearing/meeting, that he has an unexpected medical issue and would not be presiding over meeting. He then turned the meeting over to Vice Mayor Morrow.

Before leaving, he wanted to state, for the record, that city staff has helped a great deal by sharing the city manager's duties and with the issues related to the passing of Councilman Pikus. He said that our employees have really done a wonderful job over the last couple weeks and in particular, wanted to thank City Clerk Terri Hudson who has helped in so many ways. He said the city continues to move forward in a positive way and that things are continuing to get done. He appreciates our staff and referred the importance of 'team work' among our employees.

The mayor again apologized and thanked Vice Mayor Morrow for taking over for him.

#### CALL TO ORDER

Vice Mayor Morrow called the Council Meeting to order at 7:18 p.m.

#### INVOCATION & PLEDGE

The Pledge of Allegiance followed the invocation given by Councilman Starling.

#### APPROVAL OF MINUTES

Motion made by Mr. Brooks, seconded by Mr. Starling to approve the minutes of the May 26, 2015 Council Workshop and July 9, 2015 Police Committee Meeting minutes. Motion carried.

#### RECOGNITION

*Tribute 2015-19/Mourning the Death of Councilman S. Allen "Skip" Pikus/Distinguished Citizen and Devoted Member of this Community*

Vice Mayor Morrow referenced the death of Councilman Pikus on Monday, July 6, 2015. He then asked City Clerk Terri Hudson read the following tribute into record:

WHEREAS, S. Allen Pikus died on Monday, July 6, 2015, at the age of 74;

WHEREAS, S. Allen Pikus served as a Milford City Council member from 1973 to 1981, 1990 to 1996 and from 2010 to the present time;

WHEREAS, As chair of the Finance Committee for the City of Milford, he fully engaged in the annualized budgeting process in cooperation with the Finance Director, City Management and City Department Heads; he assisted in setting long-term financial goals with an emphasis on working capital and cash reserve funds to ensure the continued financial health of the City of Milford;

WHEREAS, During his esteemed tenure, S. Allen Pikus also served as a member of key Council Committees including the Police and Annexation Committees;

WHEREAS, a longtime businessman, S. Allen Pikus will forever remain present in the lives of those he touched;

WHEREAS, S. Allen Pikus will truly be memorialized through the countless Milfordians whose lives have been made better, in ways both large and small, thanks, in part, to the ordinances he introduced and the causes he championed;

WHEREAS, S. Allen Pikus' death leaves an irreplaceable void with his family and friends and on the city council;

WHEREAS, he is survived by three sons David and his wife Katherine, Stephen and his wife Gretchen, Eric and his wife Pixie, brother Rubin and grandchildren Madeline, William, Dalton, Emma Rose, Alec, Lauren and Benjamin, all of whom felt privileged to be a part of his life and who rejoiced in his many achievements;

WHEREAS, S. Allen Pikus leaves behind a legacy which will long endure the passage of time and will remain as a comforting memory to all he served and befriended.

NOW, THEREFORE BE IT PROCLAIMED, that I, Bryan W. Shupe, by virtue of the authority vested in me as Mayor of the City of Milford, hereby dedicate this hour, as lasting gratitude for his exemplary life, the good he did, the things he taught and the inspiration we garnered, and urge our citizens to take a moment to pause and reflect on the life of S. Allen "Skip" Pikus and express deepest condolences to his family.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Official Seal of the City of Milford, in the State of Delaware to be affixed this Ninth day of July in the Year of our Lord Two Thousand and Fifteen.

s/Mayor Bryan Shupe

#### MONTHLY POLICE REPORT

Police Committee Chair Morrow presented the monthly police report on behalf of Chief Hudson, noting they have had another busy month. Mr. Starling moved to accept the monthly police report, seconded by Mr. Burk. Motion carried.

#### CITY MANAGER REPORT

Vice Mayor Morrow referenced the reports included in the packet from the Electric, Public Works, Parks and Recreation, Streets, Solid Waste and Wastewater Departments.

Mr. Mergner said he prefers this format versus what has been done in the past. Council agreed it is easier to read and flows better.

Mr. Burk moved to accept the city manager report, seconded by Mr. Brooks. Motion carried.

#### COMMITTEE & WARD REPORTS

Public Works Chairman Brooks reported that DelDOT is hosting a workshop at Milford High School Cafeteria from 4:00 p.m. to 7:00 p.m. to discuss the Northeast Front Street Overpass.

Mr. Mergner suggested that information be posted or linked on our website.

#### COMMUNICATIONS & CORRESPONDENCE

Vice Mayor Morrow informed council that the city has received several cards from other towns expressing their sympathy over the death of Councilman Pikus. He thanked council for attending the service noting it was well attended and a compliment to Councilman Pikus' life.

Vice Mayor Morrow then read a letter to Chief Hudson that Mayor Shupe had asked him to read into record:

“I would like to thank you, your staff and other members of the Milford Police Department for their presence and assistance with the funeral services of Councilman Skip Pikus on July 9, 2015.

As Mayor I was very proud of the number of police officers who came to pay their respects. The impressive escort from the Rookery North through Milford to the cemetery in Dover, was a touching tribute to a man who was extremely proud of the men and women of the Milford Police Department. Very moving and solemn was the presence of Milford’s officers, vehicles and motorcycles throughout the twenty-five mile plus route. These officers also made it possible for the procession to stop for a moment of silence at Lou’s Bootery intersection in downtown Milford.

Your officers had a long detailed list to accomplish. They met those challenges with precision, honor and professionalism. They really were spectacular.

On behalf of the City of Milford and the Pikus family, I commend you, your staff and your officers. We are forever grateful.

s/Mayor Bryan W. Shupe”

Vice Mayor Morrow agreed it was above and beyond what was asked of them.

Councilman Grier added that it was truly amazing. He recalled seeing one officer at an intersection and a few miles later, they would pass the same officer. He said they covered the intersections all the way to Dover and through Dover. He thought it was unbelievable.

Chief Hudson thanked the mayor adding it was an honor.

#### UNFINISHED BUSINESS

None to report.

#### NEW BUSINESS

##### *Introduction of Ordinance 2015-07/Perdue Real Estate Holdings Inc./Change of Zone*

Vice Mayor Morrow introduced the Perdue ordinance for a change of zone. The application requests a change from commercial to industrial zoning for 2.6 acres at their current site. He then deferred to City Planner Pierce.

Solicitor Rutt then stated this is only an introduction so very minimal information can be discussed.

The vice mayor concluded by stating the public hearing on this application is scheduled for July 27<sup>th</sup>.

##### *Appointment of Special Board of Election/Sewer Improvements Project Special Election/Referendum*

Vice Mayor Morrow announced that a Special Board of Election is required for the upcoming sewer borrowing referendum on Tuesday, September 1st. Due to having the referendum on a weekday and employment responsibilities, one of our regular board members will not be present.

The voter registration deadline for this referendum is Monday, August 3<sup>rd</sup> at 4:30 p.m.

Mr. Grier moved to appoint the Joanne Leuthauser, Carlene Wilson and Carole Mason as the Special Board of Election for the USDA Sewer Borrowing Special Election on September 1, 2015, seconded by Mr. Burk. Motion carried.

##### *Approval/CB&I Contract/Change Order 4/Elevated Storage Tank*

PE Erik Retzlaff of Davis, Bowen and Friedel advised that during the current project to construction the elevated storage

tank in the southeastern area of Milford, the contractor, while on site, needed authorization to proceed with installing some brackets and mounting hardware. This would allow space on the tank to be leased to Verizon. Authorization was given at the time to prevent the work from being postponed. Had it waited until after council approval could be acquired, the change order would have been significantly higher because the contractor would have to return and prefabricate additional parts.

Mr. Mergner asked why this was not in the original scope; Mr. Retzlaff explained that the city had only recently began discussions with Verizon. He understands the terms of the lease are currently being negotiated.

When asked the rate of return, Mr. Rutt said the long term contract is in the range of \$20,000 to \$25,000 a year.

Mr. Burk confirmed the \$4,358 is a one time fee; Mr. Retzlaff stated yes.

When asked how this would be paid, Mr. Rutt said it would be included in the USDA project related to the water tank.

Mr. Grier moved to approve CB&I Change Order 4 in the amount of \$4,358 to be funded as stated, seconded by Mr. Brooks. Motion carried.

*Adoption/Resolution 2015-11/Annexation Committee Investigation/Key Properties Group*

*Adoption/Resolution 2015-12/Annexation Committee Investigation/Key Properties Group*

has been submitted to the City Council of the City of Milford.

Now, Therefore, a Committee, composed of three (3) elected members of City Council and one (1) member of the Planning Commission has been appointed by the Mayor to investigate the possibility of annexing said property, said Committee to be comprised of Chair Katrina Wilson, Douglas Morrow, James Burk and Planning Commission Chairman Archie Campbell.

Be It Further Resolved, that said Committee shall submit a written report containing its findings and conclusions, including the advantages and disadvantages of the proposed annexation both to the City and to the property proposed to be annexed and said report shall further contain the committees' recommendations whether or not to proceed with the proposed annexation and the reasons therefor.

NOW, THEREFORE, I, Teresa K. Hudson, City Clerk of the City of Milford, do hereby certify that the foregoing resolution was duly and regularly adopted by the City Council of the City of Milford at a Council Meeting held the 13<sup>th</sup> day of July 2015 by a majority vote.

Motion carried.

*Adoption/Resolution 2015-14/Declaring City Council Vacancy, Scheduling Special Election & Authorizing Deadlines*

City Solicitor Rutt reported that Article IV of the City of Milford Charter states that when an active city councilperson dies, there is a vacancy and a special election is required if more than six months is left in the term. He said the election must be held between twenty and thirty days following the vacancy.

He said the charter references Article VII though the charter does not have an Article VII. According to Mr. Rutt, it existed prior to the last charter amendment five years ago though it was repealed and never replaced. He has a copy of Article VII before it was repealed five years ago.

When asked how quickly council could have Article VII added back to the charter, Mr. Rutt explained that Article VII is really the code and the charter change has to be sent to the general assembly.

Mr. Rutt said he discussed this with Ken McDowell who heads the Sussex County Department of Elections. They talked it through and the charter is clear on the timing though not on the procedure. Mr. Rutt suggests that city council declare the seat vacate this evening. That will start the thirty-day process and allow twenty days for any interested persons to file. The election would then be held thirty days from today on August 12<sup>th</sup>.

Mr. Rutt said that meets the timing requirement in the charter.

Because there was no procedure, he found some similar case law that dealt with the vacancy of a judge and the timing required. The governor had asked the supreme court for guidance and their response was as long as it is reasonable and within the spirit of the existing law, it would work. That is how he conjured this.

He recommends council adopt the resolution declaring the vacancy effective this date and that the special election would be held August 12<sup>th</sup> and that anyone wishing to file a petition must do so by August 3<sup>rd</sup>. It also provides for anyone not registered to do so by August 3<sup>rd</sup> to be eligible to vote in the 2<sup>nd</sup> Ward election.

Mr. Burk moved to adopt Resolution 2015-14, seconded by Mr. Mergner:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILFORD, DELAWARE ("City Council") DECLARING A VACANCY IN THE OFFICE OF CITY COUNCIL MEMBER AND CALLING A SPECIAL ELECTION TO FILL

SUCH VACANCY FOR THE UNEXPIRED TERM; ESTABLISHING THE DATE AND TIME FOR CANDIDATE FILING DEADLINE AND VOTER REGISTRATION DEADLINE.

WHEREAS, Article IV Council Government-Composition, Qualifications, Vacancies and Procedure, of the Charter ("Charter") of the City of Milford states that the Office of a Councilperson shall become vacant upon death, resignation or removal from office in any manner authorized by law, or ceases to be a lawfully registered voter of the City and a resident of the Ward in which he/she resided at the time of the election; and

WHEREAS, the Charter further states that at the time of the vacancy, if the remainder of the unexpired term is six months or greater than six months, the election authorities shall call a special election to fill the vacancy for the remainder of the unexpired term and the special election shall be held not sooner than twenty (20) days nor later than thirty (30) days following the vacancy.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MILFORD:

#### SECTION 1-VACANCY

Due to the recent death of Councilman S. Allen Pikus, the City Council does hereby declare a vacancy in the Office of City Council, Second Ward.

#### SECTION 2-SPECIAL ELECTION

The City Council orders a Special Election for the City of Milford, to be held on Wednesday, August 12, 2015 from 7:00 a.m. until 7:00 p.m. at Milford City Hall, 201 South Walnut Street, Milford, Delaware, for the purpose of electing a Second Ward Council Member to serve for the unexpired term of that office. The candidate receiving a majority of the votes cast shall be declared elected to such office.

#### SECTION 3-SECOND WARD CANDIDATE DEADLINE

Interested qualified candidates from the Second Ward shall file a petition for the vacant seat no later than 4:30 p.m. on Monday, August 3, 2015.

#### SECTION 4-VOTER REGISTRATION REQUIRE/DEADLINE

To be eligible to vote in this Second Ward Special Election, qualified residents and property owners, determined by Article II Nominations and Elections of the Charter, who have not registered to vote in City of Milford elections must register at Milford City Hall, 201 South Walnut Street, Milford, Delaware, no later than 4:30 p.m. on Monday, August 3, 2015.

#### SECTION 5-ABSENTEE BALLOTS

Registered voters who wish to obtain an absentee ballot should contact Milford City Hall at 302-424-3712.

s/Mayor Bryan W. Shupe

Motion carried.

#### *Appointment of Special Board of Elections/Special Election/2nd Ward Vacancy*

Mr. Burk moved to appoint the Joanne Leuthauser, Carlene Wilson and Carole Mason as the Special Board of Election for the Special 2<sup>nd</sup> Ward Election on August 12, 2015, seconded by Mr. Starling. Motion carried.

#### MONTHLY FINANCE REPORT

Through the eleventh month of Fiscal Year 2014-2015 with 92% of the fiscal year having passed, 87% of revenues have been received and 64% of the operating budget expended.

Mr. Morrow reported that the economic development fund is only at 45% because the cost associated with the City Planner/Economic Development position in May was paid from those monies.

Comcast cable revenues do not come in until the last month of the fiscal year which is not reflected in this finance report and will add another \$103,000 to miscellaneous revenues.

The police pension was received from the State of Delaware in the amount of \$68,000 and will also be reflected in the June 2015 report.

Mr. Grier moved to accept the May 2015 finance report, seconded by Mr. Starling. Motion carried.

EXECUTIVE SESSION

Mr. Mergner moved to go into Executive Session reference below reason, seconded by Mr. Burk:

Pursuant to 29 Del. C. §10004(b)(9) Personnel matters in which the names, competency and abilities of individual employees or students are discussed (Police SRO Contract & Salary Issue)

Motion carried.

Vice Mayor Morrow recessed the Council Meeting at 7:55 p.m. for the purpose of an Executive Session as permitted by Delaware's Freedom of Information Act.

RETURN TO OPEN SESSION

City Council returned to Open Session at 8:16 p.m.

*Union Contract*

Mr. Burk moved to amend the Milford School District contract subject to negotiations with the district, seconded by Mr. Mergner. Motion carried.

*Salary Issue*

Action postponed.

ADJOURN

With no further business, Mr. Grier moved to adjourn the Council Meeting, seconded by Mr. Starling. Motion carried. The Council Meeting adjourned at 8:18 p.m.

Respectfully submitted,

MILFORD CITY COUNCIL  
MINUTES OF MEETING  
July 27, 2015

Milford City Council held Public Hearings on Monday, July 27, 2015 in the Joseph Ronnie Rogers Council Chambers at Milford City Hall, 201 South Walnut Street, Milford, Delaware.

PRESIDING: Mayor Bryan Shupe

IN ATTENDANCE: Councilpersons Garrett Grier III, James Burk, Douglas Morrow, Sr.  
James Starling, Sr. and Katrina Wilson

Police Chief Keith Hudson and City Clerk/Recorder Terri Hudson

COUNSEL: City Solicitor David Rutt, Esquire

Mayor Shupe called the Public Hearing to order at 7:01 p.m. and deferred to City Planner Rob Pierce.

*Edwin M. Mow/Change of Zone/R1 to OB1  
505 Lakeview Avenue/Tax Map and Parcel 1-30-3.07-120.00  
Adoption/Ordinance 2015-08*

Mr. Pierce reported this property is located at 505 Lakeview Avenue and is improved with a doctor's office. The applicant is seeking a change of zone in order to eliminate their legal non-conforming use status.

This request required a map amendment to the 2008 Comprehensive Plan, which was filed and reviewed by the Office of State Planning Coordination (OSPC) at their May 2015 PLUS meeting. The city received approval from OSPC on June 19, 2015 and the comp plan map amendment approved by city council on June 22, 2015.

The OB-1 zoning designation allows professional offices of a low profile, low traffic category in areas of a residential nature where existing nonresidential buildings or structures are present. A physician/dentist office is a permitted use under the OB-1 designation.

He advised the existing area and height characteristics, including setbacks and lot coverage, are accepted under the provisions of the OB-1 zoning category, with the understanding that any change to a non-conforming characteristic would require additional approval by the city.

The planning commission recommended approval at their meeting on Tuesday, July 21, 2015.

Mayor Shupe asked for council comments. Mr. Morrow feels it clears up zoning inconsistencies that have been overlooked for many years.

Solicitor Rutt then directed Mayor Shupe to call the applicant to the podium.

Solicitor Rutt explained he is required to ask Dr. Mow questions in order to have a record. He referenced Mr. Pierce's presentation and asked Dr. Mow if he understands that he is rezoning his property from R-1 to OB-1; Mr. Mow stated yes he does understand.

Solicitor Rutt asked Dr. Mow when he first acquired the property; Dr. Mow said he believes the early part of 1990.

Solicitor Rutt asked if Dr. Mow has had an office there since the time the building was acquired; Dr. Mow said yes and that it had been medical offices prior to his occupancy as well.

Solicitor Rutt asked if Dr. Mow was aware that the land use plan has been amended to designate this parcel as OB-1; Dr. Mow stated yes.

Solicitor Rutt asked if Dr. Mow's application will make the parcel conform to the land use plan; Dr. Mow answered yes.

Solicitor Rutt asked if this is essentially a 'fill in' because there are other commercial or OB-1 types of uses in that area; Dr. Mow said he believes so, yes.

Solicitor Rutt then asked Dr. Mow if he had anything to add; Dr. Mow said no and that he approves of the recommendation as this moves forward.

Solicitor Rutt stated that he has no further questions at this time.

Mayor Shupe then opened the floor to open public comment. No one responded and the mayor closed the public comment portion of the meeting.

Mr. Grier moved to adopt the following ordinance, seconded by Ms. Wilson:

Ordinance 2015-08  
Edwin W. Mow for a Change of Zone

AN ORDINANCE OF THE CITY OF MILFORD, DELAWARE to amend the zoning map of the City of Milford by rezoning 0.59 +/- acres of real property from R1 (Single Family Residential) to OB1 (Office Building) at 505 Lakeview Avenue, Milford, Delaware. Present Use: Doctor's Office. Proposed Use: Same. Tax Map and Parcel: 1-30-3.07-120.00

WHEREAS, the City of Milford Planning Commission will consider the change of zone application at a Public Hearing on June 16, 2015; and

WHEREAS, Milford City Council will hold a Public Hearing on June 22, 2015 to allow for public comment and further review of the ordinance; and

WHEREAS, it is deemed in the best interest of the City of Milford to allow a change of zone as herein described.

NOW, THEREFORE, the City of Milford hereby ordains as follows:

Section I. Upon the adoption of this ordinance, tax map and parcel 1-30-3.07-120.00, owned by Edwin M. Mow located at 505 Lakeview Avenue, is hereby zoned OB1.

Section 2. An amendment to the Future Land Use Map of the Comprehensive Plan indicating the property as employment zoned future land use will be adopted prior to the property record card being amended to indicate the OB1 zoning.

Section 3. Dates.

Introduction: June 8, 2015

Adoption: June 22, 2015

Effective: July 2, 2015

Motion carried.

*Masten Medical LLC/Change of Zone/R1 to OB1  
509 Lakeview Avenue/Tax Map and Parcel 1-30-3.07-122.00  
Adoption/Ordinance 2015-09*

City Planner Pierce reported that this mirrors the previous applicant. This property is located next door at 509 Lakeview Avenue and is improved with a doctor's office. The applicant is seeking a change of zone in order to eliminate their legal non-conforming status.

This request required a map amendment to the 2008 Comprehensive Plan which was filed and reviewed with the Office of State Planning Coordination at the May 2015 PLUS meeting. The city received approval from Office of State Planning on June 19, 2015. The comp plan map amendment was approved by city council on June 22, 2015.

The OB-1 zoning designation allows professional offices of a low profile, low traffic category in areas of a residential nature where existing nonresidential buildings or structures are present. A physician/dentist office is a permitted use under the OB-1 designation.

Existing area and height characteristics, including setbacks and lot coverage, are accepted under the provisions of the OB-1 category, with the understanding that any change to a non-conforming characteristic would require additional approval by the city.

The planning commission recommended approval at their meeting on Tuesday, July 21, 2015.

Mayor Shupe asked if a representative of Masten Medical LLC was present; James Masten was present.

Solicitor Rutt informed Mr. Masten he would be asked some questions so a record can be built.

Solicitor Rutt asked Mr. Masten when Masten Medical LLC acquired the property; Mr. Masten believes his grandfather bought it in the mid-seventies when his parents returned to Milford. Masten Medical LLC was formed approximately two to three years ago.

Solicitor Rutt asked Mr. Masten when his parents opened an office there; Mr. Masten said he believes in 1977.

Solicitor Rutt asked if it has been used as an office since that time; Mr. Masten stated yes.

Solicitor Rutt asked if Mr. Masten understands that it has been used as an office since that time; Mr. Masten answer yes.

Solicitor Rutt asked if Mr. Masten understands this office is in an R-1 zone at this point; Mr. Masten stated that is correct.

Solicitor Rutt asked if Mr. Masten's request is to change to the OB-1 so it conforms to the land use amendment; Mr. Masten stated yes.

Solicitor Rutt said that Mr. Masten served on the planning commission at one point and asked him if he is familiar with fill-in zoning; Mr. Masten stated yes.

Solicitor Rutt asked Mr. Masten if this is a fill-in zone to conform to other properties in the area; Mr. Masten answered yes it is.

Solicitor Rutt stated he has no other questions.

With no questions from council, Mayor Shupe opened the floor for public comments. With no response, the mayor closed the public comment session for this application.

Mr. Morrow moved to adopt the following motion, seconded by Mr. Starling.

Ordinance 2015-09  
Masten Medical LLC for a Change of Zone

AN ORDINANCE OF THE CITY OF MILFORD, DELAWARE to amend the zoning map of the City of Milford by rezoning 1.09 +/- acres of real property from R1 (Single Family Residential) to OB1 (Office Building) at 509 Lakeview Avenue, Milford, Delaware. Present Use: Doctor's Office. Proposed Use: Same. Tax Map and Parcel: 1-30-3.07-122.00

WHEREAS, the City of Milford Planning Commission will consider the change of zone application at a Public Hearing on June 16, 2015; and

WHEREAS, Milford City Council will hold a Public Hearing on June 22, 2015 to allow for public comment and further review of the ordinance; and

WHEREAS, it is deemed in the best interest of the City of Milford to allow a change of zone as herein described.

NOW, THEREFORE, the City of Milford hereby ordains as follows:

Section I. Upon the adoption of this ordinance, tax map and parcel 1-30-3.07-122.00, owned by Masten Medical LLC located at 509 Lakeview Avenue, is hereby zoned OB1.

Section 2. An amendment to the Future Land Use Map of the Comprehensive Plan indicating the property as employment zoned future land use will be adopted prior to the property record card being amended to indicate the OB1 zoning.

*Perdue Real Estate Holdings Inc./Change of Zone/C3 to I2  
N. Rehoboth Boulevard/MD-16-187.01-01.00  
Adoption/Ordinance 2015-07*

Mr. Pierce advised that Perdue has a conglomerate of six parcels at their site. He said that Ordinance 2015-07 is a change of zone of one parcel from C3 to I2.

He said the city received site plan approval from the planning commission on July 15, 2014, at which time they were notified to combine four of their six parcels containing the chicken processing plant, due to the plant footprint crossing the parcel boundaries. Of the four parcels to be combined, one was zoned C3 and the other three were zoned I2.

In order to combine the parcels, a change of zone was required for the (one) 2.6 acre parcel to prevent split zoning.

When reviewing the change of zone application, it was determined the proposed zoning was inconsistent with the Future Land Use Map of the 2008 Comprehensive Plan. As a result, a comprehensive plan map amendment request was required and filed with the Office of State Planning Coordination in May 2015. This request was reviewed at the June 15, 2015 Office of State Planning PLUS meeting. The city received written response from that office on July 24, 2015 with no major comments or concerns.

The planning commission recommended approval of the change of zone on Tuesday, June 16, 2015.

Mayor Shupe asked that a representative from Perdue come to the podium; Attorney Veronica Faust of Morris James LLP stated she is the counsel for Perdue. She noted that Dean Walston, Director of Operations at the Milford Perdue plant, was also present.

Mr. Rutt directed Attorney Faust to handle this record.

Ms. Faust informed council that Perdue is asking city council to approve the change of zone from C3 to I2. She said they are asking to bring this parcel into conformity with the remainder of the Perdue plant parcels.

With no questions or comments from city council, Mayor Shupe opened the floor for public comment. Seeing none, the mayor

closed the floor to public comments.

Ms. Wilson moved to adopt the following ordinance, seconded by Mr. Grier:

Ordinance 2015-07  
Perdue Real Estate Holdings Inc. for a Change of Zone

AN ORDINANCE OF THE CITY OF MILFORD, DELAWARE to amend the zoning map of the City of Milford by rezoning 2.60 +/- acres of real property from C3 (Highway Commercial) to I2 (General Industrial) at N Rehoboth Boulevard, Milford, Delaware. Present Use: Chicken processing Plan. Proposed Use: Same. Tax Map and Parcel: MD-16-183.07-01-01.00

WHEREAS, the City of Milford Planning Commission will consider the change of zone application at a Public Hearing on June 16, 2015; and

WHEREAS, Milford City Council will hold a Public Hearing on July 27, 2015 to allow for public comment and further review of the ordinance; and

WHEREAS, it is deemed in the best interest of the City of Milford to allow a change of zone as herein described.

NOW, THEREFORE, the City of Milford hereby ordains as follows:

Section 1. Upon the adoption of this ordinance, tax map and parcel MD-16-183.07-01-01.00, owned by Perdue Real Estate Holdings Inc., located at N Rehoboth Boulevard, is hereby zoned I2.

Section 2. An amendment to the Future Land Use Map of the Comprehensive Plan indicating the property as industrial zoned future land use will be adopted prior to the property record card being amended to indicate the I2 zoning.

Section 3. Dates.

Effective: August 6, 2015

Motion carried.

*Amending 2008 City of Milford Comprehensive Plan/SE Master Plan  
Adoption/Ordinance 2015-06*

Planner Pierce reported this is a proposed map and text amendment to the Southeast Neighborhood Master Plan. The amendment changes certain parcels west of Route 1 from commercial and residential future land use to employment future land use. The reason for this change is to allow for the construction of the new medical campus on these lands. At one point, this area was designated commercial and it has been changed in the comp plan to employment center to accommodate the health campus.

He said that in addition, the approved and recorded townhouse Wickersham subdivision, will be changed from residential-low density to residential-high density and will be built at approximately five dwelling units per acre.

In addition, a portion of the parcel north of Wickersham, part of the Hall property on both sides of the Wilkins Road overpass, is landlocked and will be changed from commercial to residential-high density. This area will most likely need to gain access through the Wickersham development and the residential land use is more compatible. The text of the plan is also changed to adjust the definition of residential-high density future land use. The previous definition limited this land use category to two subdivisions--Hearthstone Manor and Hearthstone II. Wickersham is the third subdivision so the limitation restriction relating to the number of subdivisions will be removed.

This request was reviewed at the Office of State Planning Coordination February PLUS meeting. The city received approval

from that office on April 23, 2015.

The planning commission recommended approval at their meeting on Tuesday, June 16, 2015.

When asked the difference in low and high density, Mr. Pierce explained that high density is five to twelve units per acre and low density is any number below.

Solicitor Rutt then announced that he needed to make a statement. He said he has also represented the Hall family for many years. He said when Mr. Medlarz was preparing this, he and Mr. Rutt discussed his representation of the Halls. The one section of the Hall property, as Mr. Pierce indicated, is to the south of the on-ramp at Route 1. He said they talked about having that one section on the south side changed to high density. They talked about that with the specific condition that it would still need to be considered part of the larger parcel.

Mr. Rutt continued by stating that if the property is ever developed on the north side, that small piece may be needed for stormwater management. With that in mind, Mr. Rutt is asking council, on behalf of the Hall family, to approve this with the condition there is split zoning on that parcel so that the southeast piece could be used for stormwater management. The solicitor explained it is something that has been there forever.

The solicitor said that Mr. Medlarz had suggested this in case there was a future developer who wanted to make the Hall property high residential density. They could then access it through Wickersham. He said that is the only reason the Halls agreed to that.

Mr. Grier asked if council needs to make note that it could be used for future stormwater management; Mr. Rutt answered yes, if the Hall family or a developer needed it. He referenced the larger parcel which is zoned commercial.

Ms. Wilson asked if our planner was aware of this; Mr. Rutt said that he made this same statement at the planning commission when they approved it. The commission made it a condition of the approval at that time.

With no further council comments, Mayor Shupe opened the floor to public comment. No one responded and the mayor closed the floor to public comment.

Mr. Grier moved to adopt the following ordinance with the condition that the Hall piece to the south of the Route 1 on-ramp, for the purpose of future development, remain part of the larger parcel and it could be used as needed, seconded by Ms. Wilson:

Ordinance 2015-06  
AMENDING AND ADOPTING BY ORDINANCE THE SOUTHEAST MASTER PLAN
