Carlisle Fire Company Grant and Aid Update

In March of 2020 Carlisle Fire Company, Inc. (CFC) sent a grant proposal to the Milford City Council (City). Due to COVID 19 no presentation by CFC personnel was made. In April, the City granted CFC \$140,000.00 to be distributed in January 2021.

Previous City Grant Money

FY 20 City Grant in Aid income (\$140,000.00) from April 2019, was received and deposited on June 17, 2020. This money was used to offset employee salary/benefits and City of Milford utility bills shown below. The FY 20 \$140,000.00 grant was spent before the money was deposited. CFC fiscal year is July-June and the City grant in aid is typically granted and deposited in January by virtue of MOU. So, the grant is used for City utilities FY 19/20 and the salary/benefits from January 2020 until money is depleted about thirteen weeks later.

Expenses:

Electric/Water/Trash	\$30,501.00
Employee Salaries/Benefits	<u>\$109,499.00</u>
	\$140,000.00

How CFC Benefits City

The Carlisle Fire Company is a combination (career staff and volunteer) department. Currently the career staff mans the EMS apparatus and handles all the EMS calls within the CFC fire district as well as half of South Bowers fire district. The volunteer's man the fire apparatus answering all the fire calls within the CFC fire district.

2020 CFC responded to 572 fire calls and 3406 EMS calls (3978) 11 calls a day within the fire district. Roughly 75% of all the fire and ems calls take place inside the City Limits. Meaning last year CFC responded to 2984 calls (429/2555) or 8 calls a day in the City. 11 calls a day within the fire district.

Plus, Fire Police Asst Milford PD (Parades, Funerals, Accidents, Elec Dept, Traffic Control, etc.) approx. 1000-man hrs.

Future City Responsibilities

Career Fire Department

- Two four-man crews

 - One Fire Chief – day shift only.

To staff 24/7/365 would take at least four shifts a total of 37 persons minimum not including needed personnel to offset PTO.

Staff salaries:

• Firefighter	(24)	\$45,000	\$1,080,000.00
• Officers	(8)	\$60,000	\$480,000.00
• Battalion Chiefs	(4)	\$70,000	\$280,000.00
• Fire Chief	(1)	\$90,000	<u>\$90,000.00</u>

That is salary only no apparatus, gear, uniforms, equipment, housing, or maintenance.

Career EMS

Two BLS units staffed by career staff:

- Two two-man crews
 - Three EMTs
 - EMS Lieutenant
 - EMS Captain – day shift only.

To staff 24/7/365 would take at least four shifts a total of 16 persons minimum not including needed personnel to offset PTO.

Staff salaries:

• EMT	(12)	\$40,000.00	\$480,000.00
• EMS LT	(4)	\$50,000.00	\$200,000.00

I. BACKGROUND INFORMATION:

- City Council granted a conditional use approval for the construction of a hotel on April 26, 2004.
- The applicant is requesting permission to permanently add a 40' x 10' storage container along the north side of the hotel in order to store items incidental to the hotel business. The applicant states that there is insufficient space within the existing building to store these items.
- Chapter 230-14(C)(1) states “motels or hotels with a minimum lot size of three acres” are a conditional use subject to special requirements set forth by City Council.

II. STAFF ANALYSIS:

Based on the information presented, the City of Milford Code, and the Comprehensive Plan, staff submits the following regarding the request for the Conditional Use:

- Evaluation based on the criteria found under Chapter 230-48 Conditional Uses.
 - A. The presence of adjoining similar uses.

The property is surrounded by existing commercial uses including self-storage, office, food establishment and banking.

- B. An adjoining district in which the use is permitted.

The use is only allowed by conditional use approval within the C-3 Highway Commercial zoning district.

- C. There is a need for the use in the area proposed as established by the Comprehensive Plan.

The Comprehensive Plan designates this area as Commercial, which is intended to provide an area with various types of commercial uses, including retail, office, service establishments, etc. The use would best fall under the Commercial land use category.

- D. There is sufficient area to screen the conditional use from adjacent different uses.

The storage container would be located along the north side of the existing hotel, which would be screened from view for traffic along N. Dupont Boulevard. The main property that would see the storage container is the self-storage facility located to the north of the subject property.

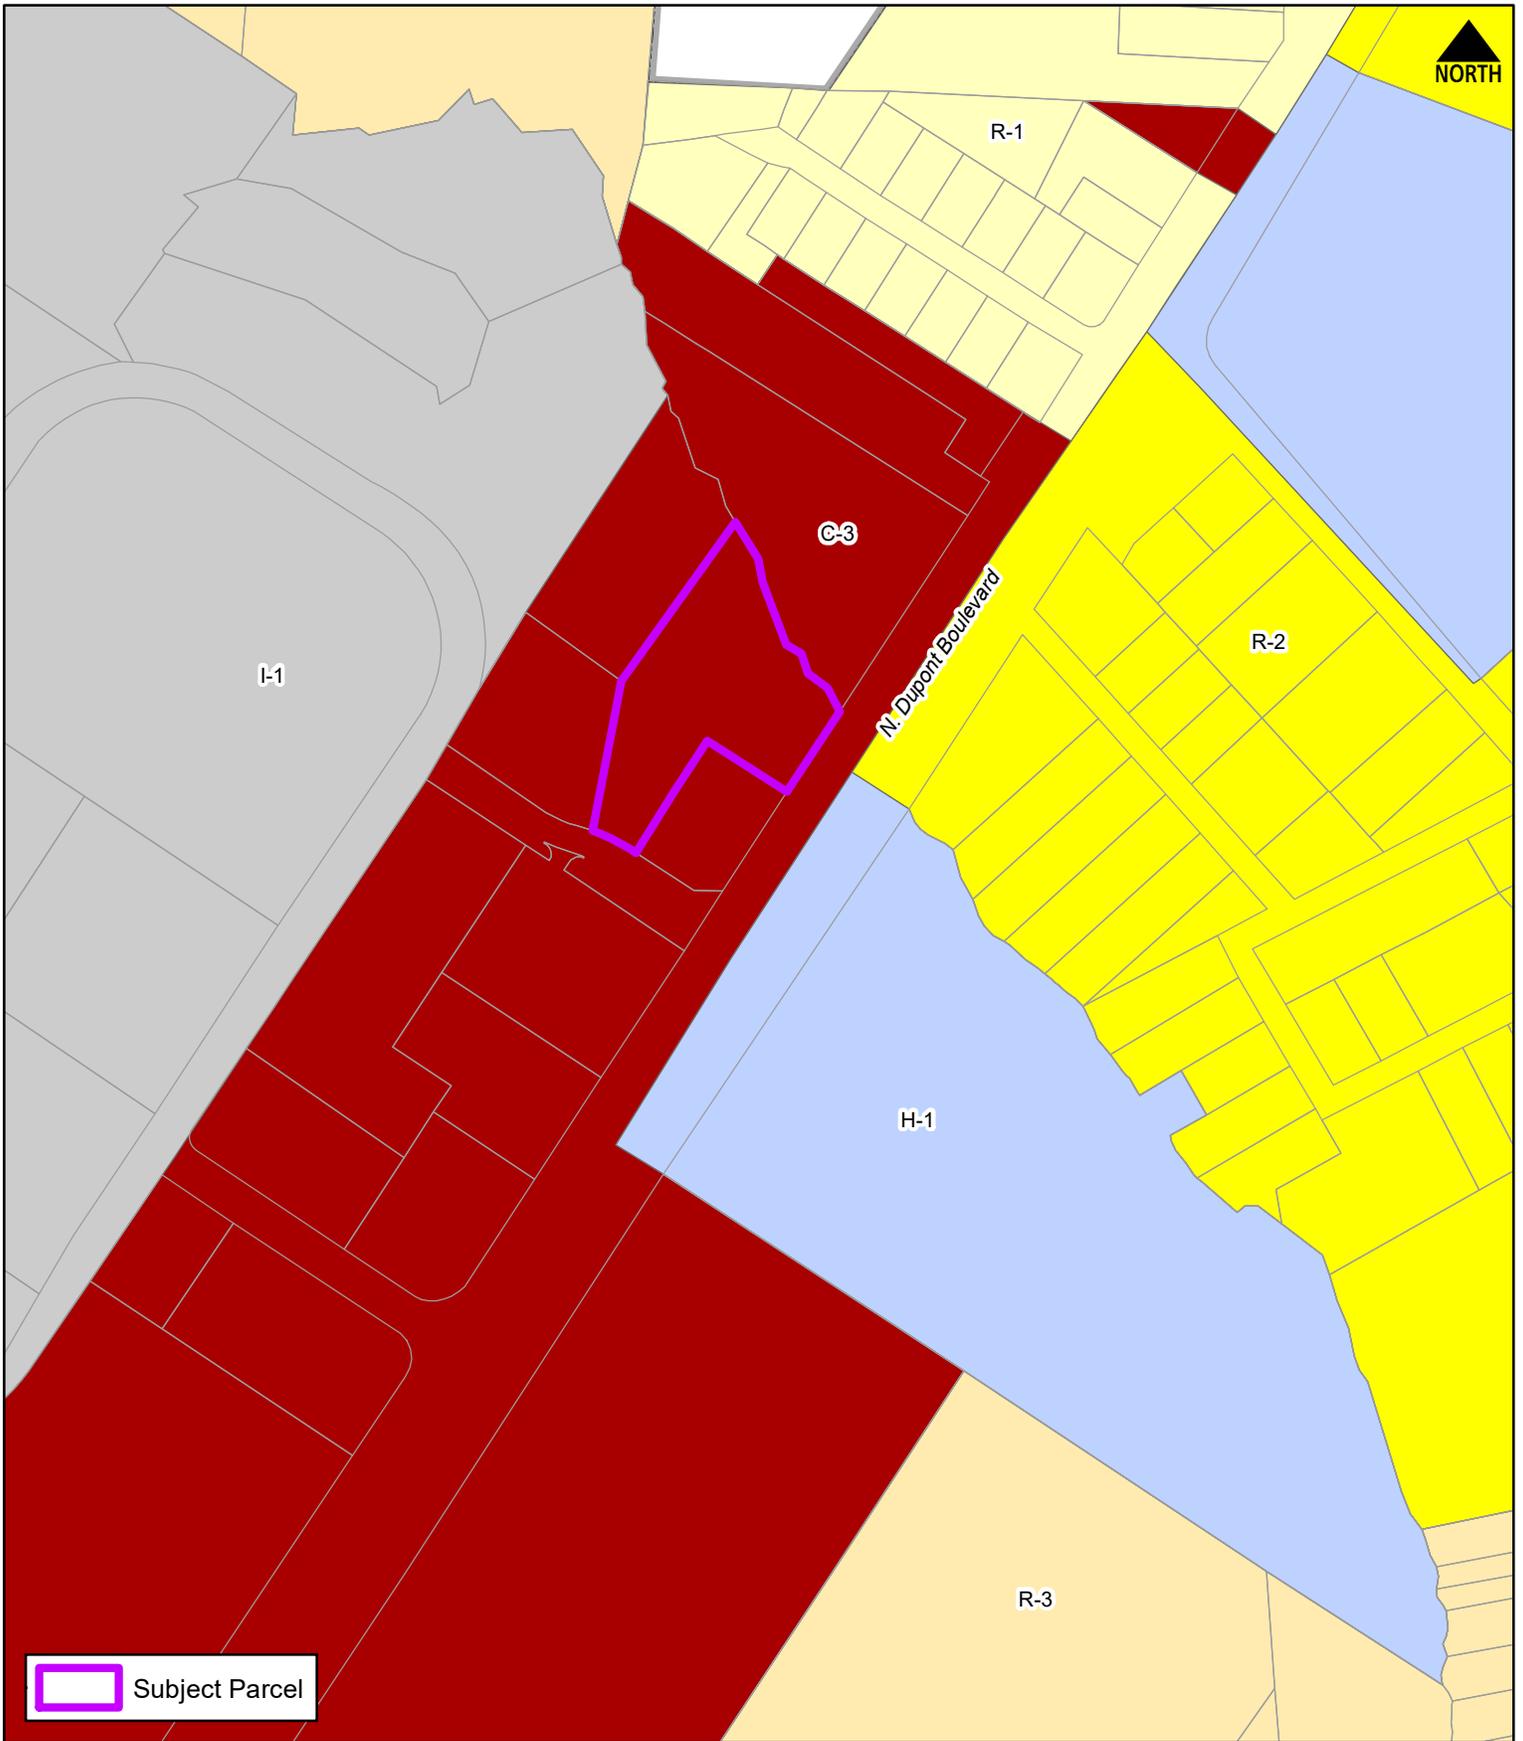

- E. The use will not detract from permitted uses in the district.

The proposed addition of the storage container should not detract from other permitted uses in the district and appears to be primarily visible from the property to the north that contains a self-storage facility. The addition of the storage container does not create additional traffic, noise, etc.

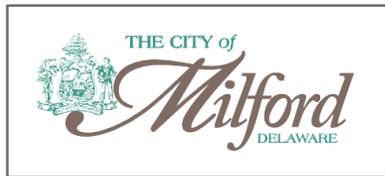

- F. Sufficient safeguards, such as traffic control, parking, screening and setbacks, can be implemented to remove potential adverse influences on adjoining uses.

The proposed addition of the storage container does not affect traffic control, parking and is located outside of the required principal building setback area. The storage container would be seen primarily from the north, which is an existing self-storage facility. The State Fire Marshal's Office has reviewed the proposed location of the storage container and has provided the attached approval letter.

- If the Planning Commission and City Council elect to approve the applicant's request, staff recommends the following minimum conditions of approval:
 - The applicant must obtain approval from the State Fire Marshal's Office for the location and placement of the storage container.
 - The applicant must obtain a building permit from the City of Milford to document the placement of the storage container.

Subject: Planning Commission Resignation

Mr. Mayor -

I have appreciated the opportunity to serve the City of Milford as a Planning Commissioner for these past six months. At the time I accepted the appointment, I expected to be able to serve a much longer time, however, my plans have changed. I am leaving on an extended trip on March 12 with no definite return date. My travel plans will essentially consume most of the rest of 2021, and as such, I am unable to fulfill my duties as a Planning Commissioner for the City of Milford.

My hope is that you will be able to quickly fill this vacancy without a major impact on the important work that the Commission is tasked with. I hereby submit my resignation effective immediately. Again, thank you for the opportunity to serve the City of Milford.

Sincerely,

Kathryn Stetson
